

Western Gold Completes \$2.74 Million Private Placement

30.12.2025 | [Newsfile](#)

North Berwick, December 30, 2025 - [Western Gold Exploration Ltd.](#) (TSXV: WGLD) (the "Company") is pleased to announce that it completed its previously announced non-brokered private placement for aggregate proceeds of CAD\$2,742,249 (the "Private Placement"). In connection with the Private Placement, 20,312,962 common shares of the Company ("Shares") were issued at a price of CAD\$0.135 per Share.

The net proceeds from the Private Placement will be used for exploration drilling programs and related work on its mining properties and for general and administrative expenses.

The Shares issued in connection with the Private Placement are subject to a four-month hold period from the closing of the Private Placement, in accordance with applicable securities laws.

Subject to the final review by the TSX Venture Exchange, the Company has agreed to pay finder's fees in respect of the aggregate sales to subscribers under the Private Placement that were introduced by certain parties, as follows: (a) to Haywood Securities Inc., a cash finder's fee of CAD\$21,937.50; and (b) to Canaccord Genuity Corp., a cash finder's fee of CAD\$2,700.00.

Related Party Disclosure

Under the Private Placement, (i) Ross McLellan, the CEO and a director of the Company, acquired 274,000 Shares at an aggregate subscription price of CAD\$36,990.00, and (ii) Zila Corporation, an insider of the Company because of it holding more than 10% of the issued and outstanding Common Shares, acquired 3,703,704 Shares at an aggregate subscription price of CAD\$500,000. Their participation in the Private Placement constitutes a "related party transaction" as defined in Multilateral Instrument 61-101 - Protection of Minority Security Holders in Special Transaction ("MI 61-101"), which has been adopted by the TSX Venture Exchange pursuant to its Policy 5.9 - Protection of Minority Security Holders in Special Transaction. These transactions are exempt from the formal valuation and minority shareholder approval requirements of such instrument and policy, pursuant to subsections 5.5(a), 5.5(b), 5.5(c), 5.7(a) and 5.7(b) of MI 61-101 as the fair market value was not more than 25% of market capitalization, the distribution of securities was for cash and the fair market value of not more than CAD\$2,500,000.

The Company did not file a material change report more than 21 days before the expected closing of the Private Placement because the details of the participation therein by related parties of the Company were not settled until shortly prior to closing of such transactions and the Company wished to close on an expedited basis for sound business reasons.

About Western Gold Exploration

The Company is a mineral exploration company that is listed on the TSX Venture Exchange under the symbol "WGLD". The Company is focused on the exploration of mineral properties in Scotland and discovering new opportunities across the underexplored Caledonian Appalachian and identifying locations of gold and critical metal deposits. The Company's principal focus is its Lorne Project, which includes the Lagalochan copper gold porphyry property located in Argyll, Scotland (the "Lagalochan Property"), and the adjacent and nearby properties along the Lorne Fault Zone.

The Company's wholly-owned subsidiary, Lorne Resources Ltd., recently entered into a joint venture with Acrux Gold Limited, to explore for gold, silver, and critical minerals as part of the Caledonian Gold Project in central Scotland. See the Company's 25 November 2025 press release for additional information.

On 29 November 2022, the Company filed a National Instrument 43-101 - Standards of Disclosure for Mineral Projects compliant, independent Technical Report (the "Technical Report") on the Lagalochan Property. The Technical Report and additional information about the Company are available on SEDAR+ at www.sedarplus.ca under the Company's profile and on the Company's website: www.westerngoldexploration.com.

CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING STATEMENTS: This news release includes certain "forward-looking statements" under applicable Canadian securities legislation. Forward-looking statements include, but are not limited to, receipt of final approvals from the TSX Venture Exchange related to the Private Placement, the anticipated use of proceeds of the Private Placement, timing and completion of any drilling and work programs on the Company's properties, estimates of mineralisation from drilling, geological information projected from drilling results, potential for minerals and/or mineral resources, and statements regarding the plans, intentions, beliefs, and current expectations of the Company with respect to the future business activities and operating performance of the Company that may be described herein. Forward-looking statements consist of statements that are not purely historical, including any statements regarding beliefs, plans, expectations or intentions regarding the future. Such information can generally be identified by the use of forward-looking wording such as "may", "expect", "estimate", "anticipate", "intend", "believe" and "continue" or the negative thereof or similar variations. Readers are cautioned not to place undue reliance on forward-looking statements, as there can be no assurance that the plans, intentions or expectations upon which they are based will occur.

By their nature, forward-looking statements involve numerous assumptions, known and unknown risks and uncertainties, both general and specific, that contribute to the possibility that the predictions, estimates, forecasts, projections and other forward-looking statements will not occur. These assumptions, risks and uncertainties include, among other things, the state of the economy in general and capital markets in particular, accuracy of assay results, geological interpretations from drilling results, timing and amount of capital expenditures; performance of available laboratory and other related services, future operating costs, and the historical basis for current estimates of potential quantities and grades of target zones, as well as those risk factors discussed or referred to in the Company's Management's Discussion and Analysis for the year ended December 31, 2024, and the period ended September 30, 2025, available at www.sedarplus.ca, many of which are beyond the control of the Company. Forward-looking statements contained in this press release are expressly qualified by this cautionary statement.

The forward-looking statements contained in this press release are made as of the date of this press release. Except as required by law, the Company disclaims any intention and assumes no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. Additionally, the Company undertakes no obligation to comment on the expectations of, or statements made by, third parties in respect of the matters discussed above.

Neither the TSX Venture Exchange nor its Regulation Service Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.

NOT FOR DISTRIBUTION OR DISSEMINATION IN THE UNITED STATES. FAILURE TO COMPLY WITH

THIS RESTRICTION MAY CONSTITUTE A VIOLATION OF UNITED STATES SECURITIES LAWS
