

Silicon Metals Corp. Closes Flow-Through Offering for Gross Proceeds of \$198,610

01.01.2026 | [Newsfile](#)

Vancouver, December 31, 2025 - [Silicon Metals Corp.](#) (CSE: SI) (FSE: X6U) ("Silicon Metals" or the "Company") is pleased to announce that further to its news release dated December 19th, 2025, it has closed its previously announced non-brokered private placements for total gross proceeds of \$198,610 (the "Offering") through the issuance of 3,055,538 flow-through common shares (each, a "Flow-Through Share") at a price of \$0.065 per Flow-Through Share.

Fees of \$4,212 were paid and 64,800 finder's warrants were issued (the "Finder's Warrants") to certain finders in connection with the closing. Each Finder's Warrant is exercisable into one common share for a period of thirty-six months after the date of issuance at an exercise price of \$0.065. The Company intends to use the proceeds of the sale of the Flow-Through Shares to incur eligible exploration expenditures on its projects in British Columbia and Ontario.

All securities issued in connection with the Offering will be subject to a statutory hold period expiring four months and one day after the date of issuance, as set out in National Instrument 45‐102 - Resale of Securities.

None of the securities sold in connection with the Offering will be registered under the United States Securities Act of 1933, as amended, and no such securities may be offered or sold in the United States absent registration or an applicable exemption from the registration requirements. This news release shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of the securities in any jurisdiction in which such offer, solicitation or sale would be unlawful.

About Silicon Metals Corp.

Silicon Metals Corp. is currently focused on exploration and development in Canada, namely British Columbia and Ontario. The Company's Maple Birch Project, located approximately 30km south-east of Sudbury, Ontario, is a high purity quartz pegmatite project with a 3,000 tonne per year production permit. The Company holds a 100% interest in the Crystal Hills Project, located approximately 40 km north of the city of North Bay, Ontario, Canada, which consists of five mineral claims comprised of eighteen (18) cells totalling approximately 400 hectares. The Company also holds an undivided 100% right, title, and interest in the exploration stage and now fully 5-year permitted Ptarmigan Silica Project, located approximately 130km from Prince George, British Columbia. The Company has also acquired an undivided 100% right, title, and interest in both the exploration stage Silica Ridge Silica Project located approximately 70kms southeast from the town of MacKenzie, British Columbia, as well as the exploration stage Longworth Silica Project located approximately 85km East from Prince George, British Columbia.

Cautionary Note Regarding Forward-Looking Statements

This release includes certain statements and information that may constitute forward-looking information within the meaning of applicable Canadian securities laws. Forward-looking statements relate to future events or future performance and reflect the expectations or beliefs of management of the Company regarding future events. Generally, forward-looking statements and information can be identified by the use of forward-looking terminology such as "intends" or "anticipates", or variations of such words and phrases or statements that certain actions, events or results "may", "could", "should", "would" or "occur". This information and these statements, referred to herein as "forward-looking statements", are not historical facts, are made as of the date of this news release and include without limitation, statements regarding the Offering (including the intended use of proceeds).

Accordingly, readers should not place undue reliance on the forward-looking statements and information contained in this news release. Readers are cautioned that the foregoing list of factors is not exhaustive.

In making the forward-looking statements in this news release, the Company has applied certain material assumptions, including without limitation, that the Company will use the proceeds of the Offering as anticipated, and that the Company will have all the necessary resources, including personnel and capital to carry out its business plans.

These forward-looking statements involve numerous risks and uncertainties, and actual results might differ materially from results suggested in any forward-looking statements. These risks and uncertainties include, among other things, that the Company may not use the proceeds from the Offering as disclosed; that the Company may be unable to carry out its business plans as disclosed; changes in applicable legislation impacting the Company's exploration plans; unanticipated costs; loss of key personnel; failure to raise the capital required to carry out the Company's business plans.

Although management of the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements or forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements and forward-looking information. Readers are cautioned that reliance on such information may not be appropriate for other purposes. The Company does not undertake to update any forward-looking statement, forward-looking information or financial outlook that are incorporated by reference herein, except in accordance with applicable securities laws. We seek safe harbor.

NOT FOR DISSEMINATION IN THE UNITED STATES OR TO U.S. PERSONS
