NOT FOR DISTRIBUTION TO UNITED STATES NEWSWIRE SERVICES OR FOR DISSEMINATION IN THE UNITED STATES

Vancouver, January 14, 2026 - [Carlyle Commodities Corp.](#) (CSE: CCC) (FSE: BJ4) ("Carlyle") is pleased to announce a non-brokered private placement (the "Private Placement") of up to \$3,000,000 through the issuance of subscription receipts (the "Subscription Receipts") at a price of \$0.01 (\$0.20 on a post-Consolidation basis) per Subscription Receipt. The Private Placement is being conducted in connection with Carlyle's proposed business combination (the "Transaction") with Silver Pony Resources Corp. ("Silver Pony"), as previously announced by Carlyle on December 31, 2025. As previously announced, Carlyle intends to consolidate its common shares in connection with the Transaction on a basis of 20 pre-consolidation shares for 1 post-consolidation share (the "Consolidation").

Each Subscription Receipt will automatically convert into one unit of Carlyle (a "Unit") (for no further consideration and without any further action by the holders thereof) upon the closing of the Transaction (the "Escrow Release Condition"). Each Unit will consist of one common share of Carlyle (each a "Share") and one-half of one common share purchase warrant of Carlyle (each whole warrant, a "Warrant"). Each Warrant will entitle the holder thereof to purchase one additional common share of Carlyle (a "Warrant Share") at an exercise price of \$0.015 (\$0.30 on a post-Consolidation basis) per Warrant Share for a period of 18 months following the date on which the Escrow Release Condition is satisfied, subject to adjustment in certain events. The expiry date of the Warrants may be accelerated if the closing price of the Shares on any Canadian stock exchange equals or exceeds \$0.025 (\$0.50 on a post-Consolidation basis) for five consecutive trading days. In such event, Carlyle may, within 15 business days following the occurrence of that condition, accelerate the expiry date of the Warrants by issuing a news release, in which case the Warrants will expire on the date that is 30 calendar days after the date of such news release, as specified therein.

The net proceeds of the Private Placement will be held in escrow pending satisfaction of the Escrow Release Condition. In the event the Escrow Release Condition is not satisfied or waived within 180 days following the closing date of the Private Placement, the net proceeds of the Private Placement will be returned to the subscribers in accordance with the terms of the subscription receipts.

If the Escrow Release Condition is met, Carlyle anticipates that the net proceeds will be used for exploration work on the Silver Pony Resources Trout Lake Projects and general working capital.

The Private Placement is subject to the receipt of all necessary approvals, including the approval of the Canadian Securities Exchange (the "CSE"). Carlyle may pay finder's fees in connection with the Private Placement.

Morgan Good, Carlyle's Chief Executive, President and Director, commented: Carlyle is excited to announce that due to popular demand we have increased our offering from \$2,500,000 to \$3,000,000 in Sub Receipts. The silver market is clearly on the move and we are optimistic to take full advantage of it."

For more information regarding the Transaction, please refer to Carlyle's news release dated December 31, 2025.
