"The workload for advancing the Kinsley project is rapidly increasing and CopAur is fortunate to have retained a high-quality group such as Lead Ram. Lead Ram bring extensive capabilities to the table in terms of gold heap leach experience and specific knowledge of the Nevada regulatory environment. Chris Babcock our COO and I look forward to working with Lead Ram as we progress the Kinsley Mountain Gold Project," commented Andrew Neale.

About CopAur: CopAur is a mine development company focused on projects within the emerging, mineral-rich gold mining regions of Nevada. The Company is backed by a dynamic and experienced team of resource professionals advancing its projects in Nevada with the flagship project being Kinsley Mountain Gold Project, a Carlin-style gold project located in the Kinsley Mountains in Eastern Nevada, approximately 80 km SSW of West Wendover.
