

QGold Engages ICP Securities Inc. for Automated Market Making Services

16.01.2026 | [GlobeNewswire](#)

TORONTO, Jan. 15, 2026 - [Q-Gold Resources Ltd.](#) (TSXV: QGR; OTCQB: QGLDF; Börse Frankfurt: QX9G) ("QGold" or the "Company") is pleased to announce, that, subject to regulatory approval, it has engaged the services of ICP Securities Inc. ("ICP") to provide automated market making services, including use of its proprietary algorithm, ICP Premium™, in compliance with the policies and guidelines of the TSX Venture Exchange and other applicable legislation. ICP will be paid a monthly fee of C\$7,500 (plus applicable taxes), payable monthly in advance. The agreement between the Company and ICP was signed with a start date of January 15, 2026, is for four months (the "Initial Term"), and shall be automatically renewed for subsequent one month terms (each month called an "Additional Term"), unless either party provides at least 30 days written notice prior to the end of the Initial Term or an Additional Term, as applicable. There are no performance factors contained in the agreement and no stock option grants or other compensation is contemplated in connection with the engagement. Neither ICP nor its principals have an interest, directly or indirectly, in the Company or its securities, nor any right or intent to acquire such an interest; however, ICP and its clients may acquire an interest in the securities of the Company in the future.

ICP is an arm's length party of the Company. ICP's market-making activity will be primarily to correct temporary imbalances in the supply and demand of the Company's shares. ICP will be responsible for the costs it incurs in buying and selling the Company's shares, and no third party will be providing funds or securities for the market making activities.

About ICP Securities Inc.

ICP is a Toronto based CIRO dealer-member that specializes in automated market making and liquidity provision, as well as having a proprietary market making algorithm, ICP Premium™, that enhances liquidity and quote health. Established in 2023, with a focus on market structure, execution, and trading, ICP has leveraged its own proprietary technology to deliver high quality liquidity provision and execution services to a broad array of public issuers and institutional investors.

About Q-Gold Resources Ltd.

Q-Gold Resources Ltd. (TSXV: QGR; OTCQB: QGLDF; Börse Frankfurt: QX9G) is a publicly traded North American-based mineral exploration and development company focused on advancing gold and silver projects in mining-friendly jurisdictions across North America.

The Company's shares are listed on the TSX Venture Exchange under the symbol "QGR", the OTCQB® Venture Market in the United States under "QGLDF", and the Börse Frankfurt exchange under "QX9G".

QGold is committed to progressing its portfolio of gold and silver assets toward production, with its primary focus on its flagship Quartz Mountain gold project in Oregon (USA) and the Mine Centre gold project in Ontario (Canada).

QGold focuses on mineral resource estimate expansion or establishment through systematic exploration, disciplined project development backed by rigorous technical work, and responsible environmental stewardship in mining-friendly jurisdictions with established infrastructure.

Cautionary Notes

This press release contains "forward-looking information" within the meaning of applicable Canadian securities legislation. Forward-looking information includes, but is not limited to, statements with respect to the Company's beliefs, plans, expectations or intentions for the Quartz Mountain gold and Mine Centre gold projects, including its plans to develop and progress its portfolio of assets toward production. Generally, forward-looking information can be identified by the use of forward-looking terminology such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or state that certain actions, events or results "may", "could", "would", "might" or "will be taken", "occur" or "be achieved". Forward-looking information is subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of the Company, as the case may be, to be materially different from those expressed or implied by such forward-looking information, including but not limited to: receipt of necessary approvals; general business, economic, competitive, political and social uncertainties; future mineral prices and market demand; risks of operating in a non-Canadian jurisdiction; foreign exchange risk, accidents, labour disputes and shortages; and other risks of the mining industry. Although the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking information. The Company does not undertake to update any forward-looking information, except in accordance with applicable securities laws.

NEITHER THE TSX VENTURE EXCHANGE NOR ITS REGULATION SERVICES PROVIDER (AS THAT TERM IS DEFINED IN THE POLICIES OF THE TSX VENTURE EXCHANGE) ACCEPTS RESPONSIBILITY FOR THE ADEQUACY OR ACCURACY OF THIS PRESS RELEASE.
