VANCOUVER, January 16, 2026 - Totec Resources Ltd. ("Totec" or the "Company") (TSXV:TOTC.P), a capital pool company, and [Usha Resources Ltd.](#) ("Usha") (TSXV:USHA)(OTCQB:USHAF)(FSE:JO0), are pleased to announce that 1540359 B.C. Ltd. ("Subco"), a wholly-owned subsidiary of Usha, has closed its private placement (the "Concurrent Financing"), through the issuance of 30,000,000 units of Subco (each, a "Unit") at a price of \$0.15 per Unit for gross proceeds of \$4,500,000. Each Unit is comprised of one (1) common share of Subco (a "Subco Share") and one (1) common share purchase warrant of Subco (a "Subco Warrant") entitling the holder thereof to acquire one (1) additional Subco Share at an exercise price of \$0.25 for a period of two (2) years from the date of issuance.

The Concurrent Financing was completed in anticipation of the sale (the "Transaction") of Subco to Totec and, indirectly, Usha's sale to Totec of the 489 mineral claims constituting the White Willow Property (the "Property"), pursuant to a share purchase agreement dated October 22, 2025, as amended December 10, 2025, among Totec, Usha and Subco (as amended, the "Agreement"). The Transaction will constitute the qualifying transaction of Totec, as such term is defined in the rules and policies of the TSX Venture Exchange (the "Exchange"). Pursuant to the Agreement, and as announced on January 13, 2026, in advance of the Closing Date (defined herein), Totec will consolidate its common shares on a 2:1 basis (the "Consolidation").

Each person who acquired Units under the Concurrent Financing (an "Investor"), has agreed to become a party to, and bound by, the Agreement as an "Investor" by executing an adoption agreement. Accordingly, on completion of the Transaction (the "Closing Date"), (i) the Investors will receive one (1) common share in the capital of Totec (on a post-Consolidation basis) (a "Totec Share") for each Subco Share held and (ii) each Subco Warrant will automatically become exercisable into one Totec Share at an exercise price of \$0.25 for a period of two (2) years from the date of issuance.

In connection with the Concurrent Financing, certain eligible finders received aggregate cash fees of \$146,122 and an aggregate of 974,143 non-transferable finder's warrants (the "Finder's Warrants"), each Finder's Warrant exercisable into one (1) Subco Share at \$0.25 for a period of three (3) years from the date of issuance. On the Closing Date, each Finder's Warrant will automatically become exercisable into one (1) Totec Share at an exercise price of \$0.25 for a period of two (3) years from the date of issuance.

In the event the Transaction is abandoned or terminated, the Concurrent Financing will be unwound, such that all funds received by Subco in connection with the Concurrent Financing will be returned to the investors in accordance with the applicable subscription agreements, and Usha will remain the sole shareholder of Subco.

The net proceeds from the Concurrent Financing are expected to be used to fund exploration at the Property and for general working capital of Totec (which will be the owner of Subco upon completion of the Transaction) and Subco, all as set forth in more detail in the filing statement of Totec, dated January 12, 2026, a copy of which is available on Totec's SEDAR+ profile. No Non-Arm's Length Parties (as such term is defined in the rules and policies of the Exchange) participated in the Concurrent Financing and the Concurrent Financing was not subject to Policy 5.9 Protection of Minority Security Holders in Special Transactions of the Exchange.

Completion of the Transaction is subject to a number of conditions, including but not limited to, Exchange

acceptance.
