

Athena Gold to Participate at Vancouver Resource Investment Conference 2026

19.01.2026 | [ACCESS Newswire](#)

WHITE ROCK, January 19, 2026 - [Athena Gold Corp.](#) (CSE:ATHA)(OTCQB:AHNRF) ("Athena Gold" or the "Company") would like to cordially invite existing and prospective investors to visit Booth #212 at the Vancouver Resource Investment Conference (VRIC) to be held at the Vancouver Convention Centre (1055 Canada Place, Vancouver) on Sunday, January 25 to Monday, January 26, 2026.

About the Vancouver Resource Investment Conference:

The Vancouver Resource Investment Conference has been the epicenter of junior mining investment in Canada for 25 years and attracts over 5,000 mining investors annually. Previous years have been attended by Former Prime Minister Stephen Harper and Former President of Mexico Felipe Calderon. The Vancouver Resource Investment Conference 2026 will feature over 120 expert speakers, including globally respected economists, legendary money managers, and investors, and will include a marketplace of over 300 investment opportunities in the mining industry, spanning early-stage exploration to advanced producing mines.

For more information and/or to register for the conference please visit:

About [Athena Gold Corporation](#)

Athena Gold is engaged in the business of mineral exploration and the acquisition of mineral property assets. Its objective is to locate and develop economic precious and base metal properties of merit and to conduct additional exploration drilling and studies on its projects across North America. Athena Gold's Laird Lake project is situated in the Red Lake Gold District of Ontario, covering over 7,000 hectares along more than 10 km of the Balmer-Confederation Assemblage contact, where recent surface sampling results returned up to 373 g/t Au. This underexplored area is road-accessible, located about 10 km west of West Red Lake Gold's Madsen mine and 34 km northwest of Kinross Gold's Great Bear project. Meanwhile, its Excelsior Springs Project is located in the prolific Walker Lane Trend in Nevada, where it is currently under an earn-in option with Mammoth Minerals Limited (formerly, Firetail Resources Limited). The Excelsior Springs Project spans over 2,500 hectares and covers at least three historic mines. Athena also holds 100% interest in its Oneman Lake Au-VMS project in Ontario.

Forward-Looking Statements

This press release contains forward-looking statements and forward-looking information (collectively, "forward-looking statements") within the meaning of applicable Canadian and US. securities laws. All statements, other than statements of historical facts, included herein, including, without limitation, statements regarding future exploration plans, future results from exploration, and the anticipated business plans and timing of future activities of the Company, are forward-looking statements. Although the Company believes that such statements are reasonable, it can give no assurance that such expectations will prove to be correct. Forward-looking statements are typically identified by words such as: "believes", "will", "expects", "anticipates", "intends", "estimates", "plans", "may", "should", "potential", "scheduled", or variations of such words and phrases and similar expressions, which, by their nature, refer to future events or results that may, could, would, might or will occur or be taken or achieved. In making the forward-looking statements in this press release, the Company has applied several material assumptions, including without limitation, that there will be investor interest in future financings, market fundamentals will result in sustained precious metals demand and prices, the receipt of any necessary permits, licenses and regulatory approvals in connection with the future exploration and development of the Company's projects in a timely manner.

The Company cautions investors that any forward-looking statements by the Company are not guarantees of future results or performance, and that actual results may differ materially from those in forward-looking statements.

Readers are cautioned not to place undue reliance on forward-looking statements. The Company undertakes no obligation to update any of the forward-looking statements in this press release or incorporated by reference herein, except as otherwise stated.

Neither the Canadian Securities Exchange nor its regulation services provider accepts responsibility for the adequacy or accuracy of this release.
