

# San Lorenzo Gold Corp. to Exhibit and Present at Metals Investor Forum, Vancouver, January 23rd and 24th, 2026

22.01.2026 | [The Newswire](#)

[San Lorenzo Gold Corp.](#) ("San Lorenzo" or the "Company") (TSXV: SLG and OTC: SNLGF) advises that it will be attending the Metals Investor Forum ("MIF") in Vancouver on January 23 and 24, 2026.

Al Kroontje, San Lorenzo's CEO, will be presenting at 2:20pm on Friday, January 23, 2026 as part of a panel of companies selected by newsletter writer Eric Coffin of HRA Advisories.

Mr. Kroontje will be in attendance throughout the 2-day conference to provide shareholders and interested investors with an overview of San Lorenzo and its Salvadora Project in Chile, including ongoing work programs, exploration progress, and the Company's near and long-term strategic plans. He will also be available during the MIF conference and the days immediately following to engage directly with investors wishing to discuss San Lorenzo's growth strategy and project portfolio.

Investors are encouraged to attend San Lorenzo's presentation and to meet with Mr. Kroontje throughout the conference to learn more about the Company and its ongoing activities.

For additional information about the January 2026 Vancouver Metals Investor Forum, please visit: <https://metalsinvestorforum.com/>

Those unable to attend the presentation in person can view the San Lorenzo presentation via live stream at the following link: <https://metalsinvestorforum.com/virtual-live-stream/>

## About San Lorenzo

San Lorenzo is advancing its flagship Salvadora property located in Chile's mega-porphyry belt. Results obtained from prior drilling programs conducted on 4 different targets have convinced management that several significant gold and copper enriched epithermal and/or porphyry style systems are contained within the Salvadora property.
