

Sasquatch Resources Announces Increase in Private Placement

27.01.2026 | [Newsfile](#)

Vancouver, January 26, 2026 - [Sasquatch Resources Corp.](#) (CSE: SASQ) ("Sasquatch" or the "Company") announces that, further to its news release of January 19, 2026, it has increased its previously announced non-brokered private placement (the "Offering") and will now raise \$600,000 (increased from \$500,000) under the Offering.

The increased Offering will now consist of the issuance of 6,000,000 units (each, a "Unit") at a price of \$0.10 per Unit. Each Unit will consist of one common share of the Company and one-half of one share purchase warrant (each whole warrant, a "Warrant", entitling the holder to purchase one common share at a price of \$0.15 for a period of twenty-four (24) months from the date of issuance).

The Company may pay finder's fees in connection with the Offering. Securities issued under the Offering will be subject to a four month hold period in accordance with applicable Canadian securities laws. Insiders of the Company are expected to participate in the Offering.

This news release does not constitute an offer to sell or a solicitation of an offer to buy any of the securities described in this news release in the United States. Such securities have not been, and will not be, registered under the United States Securities Act of 1933, as amended (the "U.S. Securities Act"), or any state securities laws, and, accordingly, may not be offered or sold within the United States, or to or for the account or benefit of persons in the United States or "U.S. Persons", as such term is defined in Regulation S promulgated under the U.S. Securities Act, unless registered under the U.S. Securities Act and applicable state securities laws or pursuant to an exemption from such registration requirements.

Forward-Looking Information

Certain statements in this news release are forward-looking statements, including with respect to future plans, and other matters. Forward-looking statements consist of statements that are not purely historical, including any statements regarding beliefs, plans, expectations or intentions regarding the future. Such information can generally be identified by the use of forwarding-looking wording such as "may", "expect", "estimate", "anticipate", "intend", "believe" and "continue" or the negative thereof or similar variations. The reader is cautioned that assumptions used in the preparation of any forward-looking information may prove to be incorrect, including with respect to the Company's business plans respecting the exploration and development of its mineral properties, the proposed work programs on its mineral properties and the

potential and economic viability of its mineral properties. Events or circumstances may cause actual results to differ materially from those predicted, as a result of numerous known and unknown risks, uncertainties, and other factors, many of which are beyond the control of the Company, including but not limited to, business, economic and capital market conditions, the ability to manage operating expenses, and dependence on key personnel. Such statements and information are based on numerous assumptions regarding present and future business strategies and the environment in which the Company will operate in the future, anticipated costs, and the ability to achieve goals. Factors that could cause the actual results to differ materially from those in forward-looking statements include, the continued availability of capital and financing, litigation, failure of counterparties to perform their contractual obligations, loss of key employees and consultants, and general economic, market or business conditions. Forward-looking statements contained in this news release are expressly qualified by this cautionary statement. The reader is cautioned not to place undue reliance on any forward-looking information.

The forward-looking statements contained in this news release are made as of the date of this news release. Except as required by law, the Company disclaims any intention and assumes no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

The CSE has not reviewed, approved or disapproved the contents of this news release.
