03.02.2026 | [The Newswire](#)

Vancouver, British Columbia - February 3, 2026 ? TheNewswire - [Harvest Gold Corp.](#) (TSXV: HVG) ("Harvest Gold" or the "Company") announces that it has met the required exploration expenditure obligation of \$1,250,000 through its 2025 exploration program in the Northern and Central portion of the Mosseau property, its flagship property in the Urban Barry Belt in Quebec's Abitibi region.

Harvest Gold President and CEO, Rick Mark, states: "We have come a long way in the last 18 months and are now in an excellent position to meet our first ownership target of attaining 80% of Mosseau. That now requires only \$1,500,000 in further exploration expenditures in the next two-year period with the same annual cash and share issuances. Importantly, for our shareholders to know, at that point we have the option to buy the last 20% of Mosseau for a \$1,500,000 payment."

The Mosseau property spans 147 claims totaling 7265.88 hectares (72.66 km²), which includes a 17.7 km long gold-bearing structure running through the length of the property. Mosseau adjoins the Urban Barry Greenstone Belt of the Abitibi Region of Quebec.

The Urban Barry property is located in the Ralleau and Wilson townships in the Eeyou Istchee James Bay/Abitibi region of Quebec.
