

# Freeport Resources to Attend 121 Mining Investment Cape Town and Mining Indaba 2026

05.02.2026 | [Newsfile](#)

Vancouver, February 5, 2026 - [Freeport Resources Inc.](#) (TSXV: FRI) (OTCQB: FEERF) (FSE: 4XH) ("Freeport Resources" or the "Company"), owner of Yandera Copper, one of the largest undeveloped copper projects in the world, is pleased to announce that it will be attending the 121 Mining Investment Conference in Cape Town to engage with existing and prospective investors.

121 Mining Investment connects qualified investors including portfolio managers, analysts, and metal buyers, with mining company management teams for private in-person meetings.

The event is being held February 9-10, 2026, and will take place at The Welgemeend, Cape Town. Details on how to register to attend the conference can be found via the following link:  
<https://capetown.121mininginvestment.com/page/investor-registration>

Freeport Resources will also be attending Mining Indaba 2026 on February 9-12. Representatives of the Company look forward to engaging with key stakeholders and investors throughout the conference and invite interested parties to reach out to the Company directly to schedule a meeting.

About Freeport Resources Inc.

Freeport Resources is a Canadian mineral exploration company with a primary focus on advancing the development of the Yandera copper-gold-molybdenum project, located in Madang Province, Papua New Guinea. The Yandera project is one of the largest undeveloped copper-gold deposits in the world covering approximately 245.5 square kilometers.

This news release may contain certain "Forward-Looking Statements" within the meaning of the United States Private Securities Litigation Reform Act of 1995 and applicable Canadian securities laws. When or if used in this news release, the words "anticipate", "believe", "estimate", "expect", "target", "plan", "forecast", "may", "schedule", "intends" and similar words or expressions identify forward-looking statements or information. Such statements represent the Company's current views with respect to future events and are necessarily based upon a number of assumptions and estimates that, while considered reasonable by the Company, are inherently subject to significant business, economic, competitive, political and social risks, contingencies and uncertainties. Examples of such statements include, but are not limited to, statements with respect to the development of the Yandera Copper Project and the use of proceeds from the Offering. The material factors and assumptions used to develop the forward-looking information contained in this news release include, but are not limited to, key personnel and qualified employees continuing their involvement with the Company; the Company's ability to secure additional financing on reasonable terms; the competitive conditions of the sector in which the Company operates; and laws and any amendments thereto applicable to the Company.

Many uncertainties and factors, both known and unknown, could cause results, performance or achievements to be materially different from the results, performance or achievements that are or may be expressed or implied by such forward-looking statements, including, without limitation, risks relating to the future business plans of the Company; risks related to the exploration and development of the Yandera Copper Project; risks that the Company will not be able to retain its key personnel; and risks that the Company will not be able to secure financing on reasonable terms or at all. The Company does not intend, and does not assume any obligation, to update these forward-looking statements or information to reflect changes in assumptions or changes in circumstances or any other events affecting such statements and information other than as required by applicable laws, rules and regulations.
