12.02.2026 | [Newsfile](#)

CALGARY, February 12, 2026 - [Tenaz Energy Corp.](#) ("Tenaz", "our", "we", or the "Company") (TSX: TNZ) is pleased to announce that we have received Toronto Stock Exchange ("TSX") approval of our notice of intention to make a Normal Course Issuer Bid ("NCIB"). The NCIB will commence on February 17, 2026 and end on February 16, 2027, or such earlier date as we may determine or we may complete purchases pursuant to the NCIB. The NCIB will be funded from available cash and future free cash flow to purchase our common shares (the "Shares") in the open market.

We have received TSX approval to purchase up to 2,683,322 Shares over the next twelve-month period, representing approximately 8.4% of the issued and outstanding Shares of 32,054,567 and 10% of the public float of Shares as at February 3, 2026. The actual number of Shares ultimately purchased pursuant to the NCIB will be a function of several factors including, but not limited to, the market price of the Shares, the daily maximum repurchase volume under TSX rules, commodity prices, capital activity, business outlook, and other factors deemed relevant by Tenaz.

Purchases made pursuant to the NCIB will be made on the open market through the facilities of the TSX, other designated exchanges and (or) alternative Canadian trading systems. Shares purchased pursuant to the NCIB will be cancelled. The number of Shares that can be purchased pursuant to the NCIB is subject to a daily maximum of 28,463 Shares which is 25% of the average daily trading volume for the Shares on the TSX for the period of August 1, 2025 to January 31, 2026, subject to certain prescribed exceptions.

We will employ an automatic share purchase plan (the "ASPP") with a designated broker which will allow for continued and consistent purchases of Shares at pre-determined levels. The ASPP will allow for the purchase of Shares pursuant to the NCIB at times when Tenaz would not be active in the market due to applicable regulatory restrictions or internal trading black-out periods.

Under our prior NCIB, which commenced on February 14, 2025 and terminates on February 13, 2026, Tenaz was permitted to purchase up to 2,479,403 Shares. Tenaz repurchased a total of 366,100 Shares at a weighted average price of \$19.13 per Share. Tenaz purchased all Shares in the open market through the facilities of the TSX, other designated exchanges and (or) alternative Canadian trading systems. Since the NCIB was first established in August of 2022, Tenaz has repurchased a total of 2.5 million Shares at a weighted average price of \$5.24 per Share.
