13.02.2026 | [Newsfile](#)

Flin Flon, February 13, 2026 - Boreal Gold Ltd. (CSE: BGLD) ("Boreal Gold" or the "Company") is pleased to announce that it has closed its previously announced non-brokered private placement (the "Offering") to raise aggregate gross proceeds of approximately \$3,000,000. Under the Offering, the Company issued (i) an aggregate of 10,155,000 units ("Units") at a price of \$0.25 per Unit, and (ii) an aggregate of 1,317,800 Class A shares of the Company ("Class A Shares") that qualify as "flow-through shares" (as defined in subsection 66(15) of the Income Tax Act (Canada)) ("FT Shares") at a price of C\$0.35 per FT Share.

Each Unit is comprised of one Class A Share and one-half of one share purchase warrant (each whole warrant, a "Warrant"). Each Warrant entitles the holder thereof to acquire one Class A Share, to be issued on a non-flow through basis, at an exercise price of \$0.35 until February 12, 2028.

The proceeds from the Units issued under the Offering will be used for general corporate purposes. The proceeds from the FT Shares issued under the Offering will be used for the exploration and advancement of the Company's North Star, Fay Lake and Melgurd Lake properties.

In connection with the closing of the Offering, the Company paid certain cash finders fees and issued an aggregate of 228,000 finder's warrants (each, a "Finder's Warrant") to eligible finders in respect of subscriptions for Units referred by such finders. Each Finder's Warrant is exercisable to acquire one additional Class A Share (a "Finder Warrant Share") at an exercise price of \$0.25 per Finder Warrant Share until February 12, 2028.

All securities issued in connection with the Offering are subject to a statutory hold period under applicable Canadian securities laws, expiring June 13, 2026.

MI 61-101

Insiders of the Company acquired an aggregate of 420,000 FT Shares in the Offering (approximately \$147,000 in subscriptions), which participation constitutes a "related party transaction" within the meaning of Multilateral Instrument - 61-101 - Protection of Minority Security Holders in Special Transactions ("MI 61-101"). However, such participation is exempt from the formal valuation and minority shareholder approval requirements of MI 61-101 pursuant to sections 5.5(a) and 5.7(1)(a) of MI 61-101, respectively, as neither the fair market value of the FT Shares acquired by the insiders of the Company, nor the consideration for the FT Shares paid by such insiders, exceed 25% of the Company's market capitalization for the purposes of MI 61-101. The Company expects to file a material change report including details with respect to such related party transaction less than 21 days prior to the closing of the Offering, which the Company deems reasonable in the circumstances so as to be able to avail itself of available financing opportunities and complete the Offering in an expeditious manner.

Northfield may increase or decrease its investments in the Company at any time, or continue to maintain its current investment position, depending on market conditions or any other relevant factor.
