

Troubadour Announces Correction to Warrant Exercise Price

19.02.2026 | [ACCESS Newswire](#)

VANCOUVER, February 18, 2026 - [Troubadour Resources Inc.](#) ("TR", "Troubadour" or, the "Company") (TSXV:TR)(OTC:TROUF)(FSE:2QD0, WKN:A3DBDE) wishes to clarify and correct certain disclosure contained in an earlier news release dated February 18, 2026 announcing a non-brokered private placement offering of up to 150,000,000 units at a price of \$0.02 per unit (the "Private Placement") and a concurrent non-brokered private placement of up to 24,000,000 flow-through units at a price of \$0.025 per unit (the "FT Private Placement", and together with the Private Placement, the "Offerings").

The Company confirms that each common share purchase warrant (each, a "Warrant") issued in connection with the Private Placement and each common share purchase warrant (each, a "FT Warrant") issued in connection with the FT Private Placement will entitle the holder thereof to purchase one additional common share of the Company at an exercise price of \$0.05 per share, for a period of twenty-four (24) months from the date of issuance.

All other terms of the Offerings remain unchanged.

Closing of the Offerings remains subject to receipt of all required regulatory approvals, including acceptance of the TSX Venture Exchange.

The securities issued under the Offering have not been, and will not be, registered under the United States Securities Act of 1933, as amended, and may not be offered or sold in the United States or to U.S. persons absent registration or an applicable exemption. This news release does not constitute an offer to sell or a solicitation of an offer to buy securities in any jurisdiction where such offer or sale would be unlawful.

Forward-looking statements:

This news release may include "forward-looking information" under applicable Canadian securities legislation. Such forward-looking information reflects management's current beliefs and are based on a number of estimates and/or assumptions made by and information currently available to the Company that,

while considered reasonable, are subject to known and unknown risks, uncertainties, and other factors that may cause the actual results and future events to differ materially from those expressed or implied by such forward-looking information. Readers are cautioned that such forward-looking information are neither promises nor guarantees and are subject to known and unknown risks and uncertainties including, but not limited to, general business, economic, competitive, political and social uncertainties, uncertain and volatile equity and capital markets, lack of available capital, actual results of exploration activities, environmental risks, future prices of base and other metals, operating risks, accidents, labour issues, delays in obtaining governmental approvals and permits, and other risks in the mining industry.

The Company is presently an exploration stage company. Exploration is highly speculative in nature, involves many risks, requires substantial expenditures, and may not result in the discovery of mineral deposits that can be mined profitably. Furthermore, the Company currently has no reserves on any of its properties. As a result, there can be no assurance that such forward-looking statements will prove to be accurate, and actual results and future events could differ materially from those anticipated in such statements.
