

Galway Metals Announces Filing of NI 43-101 Technical Report for Previously Announced Estrades Preliminary Economic Assessment

19.02.2026 | [ACCESS Newswire](#)

TORONTO, February 19, 2026 - [Galway Metals Inc.](#) (TSXV:GWM) ("Galway Metals" or the "Company") is pleased to announce that the Company has filed on SEDAR+ a Preliminary Economic Assessment ("PEA") technical report for Galway's 100% owned Estrades Project ("Estrades") located in the northern Abitibi of Western Quebec. The independent technical report (the "Report") prepared in accordance with National Instrument 43-101 - Standards of Disclosure for Mineral Projects ("NI 43-101") has an effective date of January 21, 2026. Report highlights were previously announced in Galway's news release dated January 21, 2026 (available here: <https://galwaymetalsinc.com/2026/01/galway-metals-reports-robust-pea-results-with-33-and-61-after-tax-irr-using-both->

The full Report is titled "NI 43-101 Technical Report Preliminary Economic Assessment for the Estrades Project Northwestern Québec, Canada". The Report was prepared for Galway Metals by BBA E&C Inc. and SLR Consulting (Canada) Ltd. and can be found on the Company's website at www.galwaymetalsinc.com or under the Company's issuer profile on SEDAR+ at www.sedarplus.ca

Qualified Person

Stephen Poitras, P.Geo., Project Manager for Galway Metals, is the Qualified Person who supervised the preparation of the scientific and technical disclosure in this news release on behalf of Galway Metals.

About Galway Metals Inc.

Galway Metals is a Canadian mineral exploration and development company focused on advancing its 100%-owned, high-grade, open-pitiable flagship Clarence Stream gold project in southwest New Brunswick. Clarence Stream is an emerging gold district with an exploration strike length of approximately 65 kilometres and the existing resource is open in virtually all directions. Galway Metals also has 100%-ownership in the Estrades project, a former producing high-grade, gold-rich polymetallic VMS mine in the northern Abitibi of western Quebec. Led by a management team with a proven track-record of creating shareholder value having sold Galway Resources for US\$340 million, Galway Metals is focused on creating value for all its stakeholders.

Cautionary Statement

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the Toronto Stock Exchange) accepts responsibility for the adequacy or accuracy of this news release. No stock exchange, securities commission or other regulatory authority has approved or

disapproved the information contained herein.

This News Release includes certain "forward-looking statements" which are not comprised of historical facts. Forward-looking statements include estimates and statements that describe the Company's future plans, objectives or goals, including words to the effect that the Company or management expects a stated condition or result to occur. Forward-looking statements may be identified by such terms as "believes", "anticipates", "expects", "estimates", "may", "could", "would", "will", or "plan". Since forward-looking statements are based on assumptions and address future events and conditions, by their very nature they involve inherent risks and uncertainties. Although these statements are based on information currently available to the Company, the Company provides no assurance that actual results will meet management's expectations. Risks, uncertainties and other factors involved with forward-looking information could cause actual events, results, performance, prospects and opportunities to differ materially from those expressed or implied by such forward-looking information. Forward looking information in this news release includes, but is not limited to, the Company's objectives, goals or future plans, information with respect to the OTCQB listing, DTC eligibility, and broadening U.S. institutional and retail investors. Factors that could cause actual results to differ materially from such forward-looking information include, but are not limited to changes in economic conditions or financial markets, political and competitive developments, operation or exploration difficulties, changes in equity markets, changes in exchange rates, fluctuations in commodity prices capital, operating and reclamation costs varying significantly from estimates and the other risks involved in the mineral exploration and development industry, an inability to predict and counteract the effects of COVID-19 on the business of the Company, including but not limited to the effects of COVID-19 on the price of commodities, capital market conditions, restrictions on labour and international travel and supply chains, and those risks set out in the Company's public documents filed on SEDAR+. Although the Company believes that the assumptions and factors used in preparing the forward-looking information in this news release are reasonable, undue reliance should not be placed on such information, which only applies as of the date of this news release, and no assurance can be given that such events will occur in the disclosed time frames or at all. The Company disclaims any intention or obligation to update or revise any forward-looking information, whether as a result of new information, future events or otherwise, other than as required by law.
