20.02.2026 | [ACCESS Newswire](#)

[Rocky Shore Gold Ltd.](#) ("Rocky Shore" or the "Company") (CSE:RSG) is pleased to announce that it has closed the first tranche (the "First Tranche") of its previously announced non-brokered private placement. Under the First Tranche, the Company raised aggregate gross proceeds of approximately C\$4,798,162 and issued an aggregate of 27,418,071 units ("Units") at a price of \$0.175 per Unit, with each Unit comprised of one common share of the Company (a "Common Share") and one share purchase warrant (a "Warrant"). Each Warrant entitles the holder thereof to acquire one Common Share at an exercise price of \$0.30 until February 19, 2029.

The proceeds from the Units issued under the First Tranche will be used for general corporate purposes and advancement of the Company's Gold Anchor Project located in central Newfoundland.

In connection with the closing of the First Tranche, the Company paid certain cash finders fees and issued an aggregate of 1,023,543 finder's warrants (each, a "Finder's Warrant") to eligible finders in respect of subscriptions for Units referred by such finders. Each Finder's Warrant is exercisable to acquire one additional Common Share (a "Finder Warrant Share") at an exercise price of \$0.175 per Finder Warrant Share until August 19, 2027.

All securities issued in connection with the First Tranche are subject to a statutory hold period under applicable Canadian securities laws, expiring June 20, 2026.

## MI 61-101

Insiders of the Company acquired an aggregate of 2,895,000 Units in the First Tranche (approximately \$506,625 in subscriptions), which participation constitutes a "related party transaction" within the meaning of Multilateral Instrument - 61-101 - Protection of Minority Security Holders in Special Transactions ("MI 61-101"). However, such participation is exempt from the formal valuation and minority shareholder approval requirements of MI 61-101 pursuant to sections 5.5(a) and 5.7(1)(a) of MI 61-101, respectively, as neither the fair market value of the Units acquired by the insiders of the Company, nor the consideration for the Units paid by such insiders, exceed 25% of the Company's market capitalization for the purposes of MI 61-101. The Company expects to file a material change report including details with respect to such related party transaction less than 21 days prior to the closing of the First Tranche, which the Company deems reasonable in the circumstances so as to be able to avail itself of available financing opportunities and complete the First Tranche in an expeditious manner.
