FORWARD-LOOKING STATEMENTS

Certain information contained herein constitutes "forward-looking statements" or "forward-looking information" (together, "forward-looking statements") under Canadian and United States securities legislation. Generally, forward-looking statements can be identified by the use of forward-looking terminology such as "potential," "we believe," or variations of such words and phrases or statements that certain actions, events or results "will" occur. Forward-looking statements in this news release include, without limitation, the performance of the Company and its securities on the TSXV; the results from work performed to date; the realization of mineral resource estimates; the development, operational and economic results of technical reports on mineral properties referenced herein; the anticipated advancement of the Company's mineral properties and project portfolios, including the timing, scope and execution thereof; the realization of the expected economics of mineral properties; future growth potential of mineral properties; and future plans, projections, objectives, estimates and forecasts and the timing related thereto; and the other risks set out in the Company's public disclosure record under its profile on SEDAR+ (www.sedarplus.ca) and management's ability to anticipate and manage the foregoing risks and uncertainties.

Forward-looking statements are based on the opinions and estimates of management as of the date such statements are made and they are subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of the Company to be materially different from those expressed or implied by such forward-looking statements, including, without limitation, the receipt of all necessary regulatory approvals, capital expenditures and other costs, financing and additional capital requirements, completion of due diligence, general economic, market and business conditions, new legislation, uncertainties resulting from potential delays or changes in plans, political uncertainties, and the state of the securities markets generally. Although management of the Company have attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements, there may be other factors that cause results not to be as anticipated, estimated or intended.

There can be no assurance that forward-looking statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements. The Company will not update any forward-looking statements herein, including those incorporated by reference, except as required by applicable law.
