## Announces a Tripling of Sailfish's Annual Dividend

[Sailfish Royalty Corp.](#) (TSXV: FISH) (OTCQB: SROYF) (the "Company" or "Sailfish") is pleased to announce that the Company has entered into a share purchase agreement on February 23, 2026 (the "Agreement") with [OR Royalties Inc.](#) ("OR Royalties") pursuant to which the Company has agreed to sell to OR Royalties (the "Transaction") all of the issued and outstanding shares (the "Purchased Shares") of [Terraco Gold Corp.](#) ("Terraco Gold"), a wholly owned subsidiary of Sailfish, for after-tax cash consideration of US\$168 million (the "Purchase Price"), payable on closing of the Transaction.

Terraco Gold, through its subsidiaries TGC Holdings Ltd. and Terraco Royalties USA, Inc., holds:

- an up to 3% net smelter return royalty on Solidus Resources' Spring Valley gold project in Pershing County, Nevada, USA (the "Spring Valley Royalty"); and
- a 2% net smelter return royalty on Solidus Resources' Moonlight property in Nevada, USA (the "Moonlight Royalty") and together with the Spring Valley Royalty (the "Royalties").

As the Transaction will be a disposition of more than 50% of the Company's assets, it constitutes a "reviewable transaction" pursuant to TSX Venture Exchange (the "TSXV") Policy 5.3 and is subject to customary closing conditions, including acceptance by the TSXV and approval by the Company's shareholders. The Company has already received the requisite shareholder approval by way of written consent of certain of its shareholders.

In connection with the Transaction, National Bank Financial Inc. acted as a financial advisor to the Company. INFOR Financial Group acted as a strategic advisor to the Company.

Akiba Leisman, Executive Chairman of Sailfish Royalty states: "Sailfish is pleased to announce the sale of the Royalties associated with the Spring Valley and Moonlight projects in Nevada for US\$168 million in cash, after-tax. This is approximately 5.4x the purchase price we paid in August 2019 which generated an IRR of approximately 29%. Sailfish expects to redeploy this capital in high returning investments in the mining industry, with a particular focus on precious metals streams and royalties, to support our strong dividend policy. To that effect, Sailfish is tripling our annual dividend to US\$0.15 per share, from the US\$0.05 per share it has paid since 2021. The new dividend is expected to be covered, by a considerable margin, from Sailfish's remaining royalty and stream portfolio. New investments are anticipated to be made to not only sustain, but to grow this dividend significantly in the future."

Dividend Increase:

The Company is pleased to announce that the Board of Directors have approved a dividend policy increase for the Company under which the Company intends to pay quarterly dividends of US\$0.0375 per common share starting in Q1/2026. The first quarterly dividend of US\$0.0375 per common share will be payable on July 15, 2026 to Sailfish shareholders of record as of the close of business on March 31, 2026.
