

# Athena Gold Corp. To Participate At PDAC 2026

25.02.2026 | [ACCESS Newswire](#)

[Athena Gold Corp.](#) (CSE:ATHA) (OTCQB:AHNRF) ("Athena" or the "Company") cordially invites existing and prospective investors to visit Booth #2149 at the Prospectors & Developers Association of Canada's ("PDAC") Convention at the Metro Toronto Convention Centre from Sunday, March 1 to Wednesday, March 4, 2026.

## About PDAC

The World's Premier Mineral Exploration & Mining Convention will take place from March 1-4 in Toronto, Canada. The convention brings together an ever-growing audience of more than 27,000 attendees from over 125 countries for its educational programming, networking events, business opportunities and fun.

Since it began in 1932, the annual convention has grown in size, stature and influence. The award-winning event is a gathering where familiar faces reunite, new connections are forged, and the future of mineral exploration takes shape one conversation at a time. It is the event of choice for industry, hosting more than 1,300 exhibitors and 700 presenters.

For more information and/or to register for the conference please visit: <https://pdac.ca/convention-2026>

## About [Athena Gold Corporation](#)

Athena is engaged in the business of mineral exploration and the acquisition of mineral property assets. Its objective is to locate and develop economic precious and base metal properties of merit and to conduct additional exploration drilling and studies on its projects across North America. Athena's Laird Lake project is situated in the Red Lake Gold District of Ontario, covering over 7,000 hectares along more than 10 km of the Balmer-Confederation Assemblage contact, where recent surface sampling results returned up to 373 g/t Au. This underexplored area is road-accessible, located about 10 km west of West Red Lake Gold's Madsen mine and 34 km northwest of Kinross Gold's Great Bear project. Meanwhile, its Excelsior Springs Project is located in the prolific Walker Lane Trend in Nevada, where it is currently under an earn-in option with Mammoth Minerals Limited (formerly, Firetail Resources Limited). The Excelsior Springs Project spans over 2,500 hectares and covers at least three historic mines. Athena also holds 100% interest in its Oneman Lake Au-VMS project in Ontario.

## Forward-Looking Statements

This press release contains forward-looking statements and forward-looking information (collectively, "forward-looking statements") within the meaning of applicable Canadian and US. securities laws. All statements, other than statements of historical facts, included herein, including, without limitation, statements regarding future exploration plans, future results from exploration, and the anticipated business plans and timing of future activities of the Company, are forward-looking statements. Although the Company believes that such statements are reasonable, it can give no assurance that such expectations will prove to be correct. Forward-looking statements are typically identified by words such as: "believes", "will", "expects", "anticipates", "intends", "estimates", "plans", "may", "should", "potential", "scheduled", or variations of such words and phrases and similar expressions, which, by their nature, refer to future events or results that may, could, would, might or will occur or be taken or achieved. In making the forward-looking statements in this press release, the Company has applied several material assumptions, including without limitation, that there will be investor interest in future financings, market fundamentals will result in sustained precious metals demand and prices, the receipt of any necessary permits, licenses and regulatory approvals in connection with the future exploration and development of the Company's projects in a timely manner.

The Company cautions investors that any forward-looking statements by the Company are not guarantees of future results or performance, and that actual results may differ materially from those in forward-looking statements.

Readers are cautioned not to place undue reliance on forward-looking statements. The Company undertakes no obligation to update any of the forward-looking statements in this press release or incorporated by reference herein, except as otherwise stated.

Neither the Canadian Securities Exchange nor its regulation services provider accepts responsibility for the adequacy or accuracy of this release.
