

Libra Energy Materials to Participate at PDAC 2026

25.02.2026 | [Newsfile](#)

Toronto, February 25, 2026 - [Libra Energy Materials Inc.](#) (CSE: LIBR) (OTCQB: LIBRF) (FSE: W0R0) ("Libra" or the "Company") would like to cordially invite existing and prospective investors to visit Booth #2149 at the Prospectors & Developers Association of Canada's ("PDAC") Convention at the Metro Toronto Convention Centre from Sunday, March 1 to Wednesday, March 4, 2026.

About PDAC

PDAC is the World's Premier Mineral Exploration & Mining Convention and will take place this year from March 1-4, 2026 in Toronto, Canada. The convention brings together an ever-growing audience of more than 27,000 attendees from over 125 countries for its educational programming, networking events, business opportunities and fun.

Since PDAC began in 1932, the annual convention has grown in size, stature and influence. The award-winning annual event is a gathering where familiar faces reunite, new connections are forged, and the future of mineral exploration takes shape one conversation at a time. It is the event of choice for the industry hosting more than 1,300 exhibitors and 700 presenters.

For more information and/or to register for the conference please visit: <https://www.pdac.ca/convention>.

About Libra Energy Materials Inc.

Libra (CSE: LIBR) (OTCQB: LIBRF) (FSE: W0R0) is a Canadian mineral exploration company focused on the discovery and development of the critical minerals necessary for the green energy transition. Libra's Flanders North, Flanders South, and SBC projects in Ontario are being explored under a CAD \$33 million earn-in deal with KoBold Metals Company. In addition, Libra has 100% ownership of another four lithium projects in Ontario and Quebec, Canada, as well as another twenty-one lithium projects, eight graphite projects, and one cobalt project in Brazil - an emerging critical minerals hub. The Libra team comprises a mix of seasoned executives, engineers, and geoscientists, with extensive experience in mining and mineral exploration, capital markets, asset management, energy, and First Nations engagement.

Forward-Looking Information

This news release contains forward-looking statements and forward-looking information within the meaning of applicable securities laws. These statements relate to future events. All statements other than statements of historical fact may be forward-looking statements or information. The forward-looking statements and information are based on certain key expectations and assumptions made by management of the Company. Although management of the Company believes that the expectations and assumptions on which such forward-looking statements and information are based are reasonable, undue reliance should not be placed on the forward-looking statements and information since no assurance can be given that they will prove to be correct.

Forward-looking statements and information are provided for the purpose of providing information about the current expectations and plans of management of the Company relating to the future. Readers are cautioned that reliance on such statements and information may not be appropriate for other purposes, such as making investment decisions. Since forward-looking statements and information address future events and conditions, by their very nature they involve inherent risks and uncertainties. Actual results could differ materially from those currently anticipated due to a number of factors and risks. Accordingly, readers should not place undue reliance on the forward-looking statements and information contained in this news release. Readers are cautioned that the foregoing general disclosure is not exhaustive nor should it be construed as such. The forward-looking statements and information contained in this news release are made as of the date hereof and no undertaking is given to update publicly or revise any forward-looking statements or information, whether as a result of new information, future events or otherwise, unless so required by applicable securities laws. The forward-looking statements or information contained in this news release are expressly qualified by this cautionary statement.

Neither the Canadian Securities Exchange ("CSE") nor its Regulation Services Provider (as that term is defined in the policies of the CSE) accepts responsibility for the adequacy or accuracy of this release.
