

Norsemont Invites Shareholders and Investment Community To Visit Us at Booth 3035 at PDAC 2026 in Toronto, March 1–4

15:00 Uhr | [ACCESS Newswire](#)

VANCOUVER, February 26, 2026 - [Norsemont Mining Inc.](#) (CSE:NOM)(OTCID:NRRSF)(FWB:LXZ1) ("Norsemont" or the "Company") is pleased to announce we will display at Booth #3035 at the Prospectors & Developers Association of Canada's (PDAC) Convention at the Metro Toronto Convention Centre (MTCC) from Sunday, March 1 to Wednesday, March 4, 2026.

Management Comments

Norsemont CEO, Marc Levy commented:

"Please come visit us at our booth 3035 to learn more about our latest exploration results, development strategy and upcoming milestones. Our technical and management teams will be available to discuss geology, drilling and growth plans. We look forward to participating in additional mining and investment conferences through 2026 across North America and internationally."

About PDAC

The World's Premier Mineral Exploration & Mining Convention is the leading convention for people, governments, companies and organizations connected to mineral exploration. In addition to meeting more than 1,330 exhibitors, 2,500 investors and 27,353 attendees in person in 2025, participants could also attend programming, courses and networking events.

The convention is held annually in Toronto, Canada. It has grown in size, stature and influence since it began in 1932 and today is the event of choice for the world's mineral industry.

For more information and/or to register for the conference please visit: <https://www.pdac.ca/convention>

Please visit us at booth #3035 and meet some of our team.

On Behalf of the Board,

NORSEMONT MINING INC.

Marc Levy
CEO & Chairman

About Norsemont Mining Inc.

The Norsemont team comprises experienced natural resource professionals focused on growing shareholder value and developing its flagship project through to feasibility, with an indicated mineral resource estimate of 1,731,000 gold ounces, and 33,233,000 silver ounces and an inferred mineral resource of 446,000 gold ounces and 7,219,000 silver ounces for its Choquelimpie Gold-Silver-Copper project. Norsemont Mining owns a 100% interest in the Choquelimpie gold-silver-copper project in northern Chile, a past producing gold

and silver mine with significant exploration upside. Choquelimpie has over 1,710 drill holes, with significant existing infrastructure, including roads, power, water, camp and a 3,000-tonne-per-day mill. Norsemont is committed to responsible and sustainable resource development, leveraging modern exploration techniques to unlock further value for all stakeholders.

Forward-Looking Statements

Cautionary Note Regarding Forward-Looking Statements: This release includes certain statements and information that may constitute forward-looking information within the meaning of applicable Canadian securities laws. Forward-looking statements relate to future events or future performance and reflect the expectations or beliefs of management of the Company regarding future events. Generally, forward-looking statements and information can be identified by the use of forward-looking terminology such as "intends" or "anticipates", or variations of such words and phrases or statements that certain actions, events or results "may", "could", "should", "would" or "occur". This information and these statements, referred to herein as "forward-looking statements", are not historical facts, are made as of the date of this news release and include without limitation, statements regarding discussions of future plans, estimates and forecasts and statements as to management's expectations and intentions with respect to, among other things, the Offering and entry into the marketing agreements.

These forward-looking statements involve numerous risks and uncertainties and actual results might differ materially from results suggested in any forward-looking statements. These risks and uncertainties include, among other things, the Company not receiving the necessary regulatory approvals in respect of the Offering and marketing agreements contemplated herein and, with respect to the Offering, risks adverse to the capital markets, the mining industry, and investor support. In making the forward-looking statements in this news release, the Company has applied several material assumptions, including without limitation, that the Company will receive the necessary regulatory approvals and receive market interest to close the Offering on the terms herein.

Although management of the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements or forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements and forward-looking information. Readers are cautioned that reliance on such information may not be appropriate for other purposes. The Company does not undertake to update any forward-looking statement, except as required by applicable securities laws.
