

CNX Resources Corporation Announces Closing of \$500 Million Senior Notes Offering

26.02.2026 | [PR Newswire](#)

[CNX Resources Corp.](#) (NYSE: CNX) ("CNX," "we," or "our") today announced the closing of its private placement of \$500 million aggregate principal amount of its 5.875% senior notes due 2034 (the "Notes"). The Notes were offered under an indenture, dated February 26, 2026 (the "Indenture"), among CNX, the subsidiary guarantors party thereto and UMB Bank, N.A., as trustee. The Notes are guaranteed by all of CNX's restricted subsidiaries that guarantee its revolving credit facility.

CNX intends to use the net proceeds of the sale of the Notes to (i) purchase any and all of its outstanding 6.000% senior notes due 2029 (the "2029 Notes") pursuant to the tender offer that commenced concurrently with the offering of the Notes (the "Tender Offer") and (ii) to the extent any 2029 Notes remain outstanding after the Tender Offer, fund the redemption of all 2029 Notes not purchased in the Tender Offer (the "Redemption"). To the extent the net proceeds of the sale of Notes are not sufficient to fund CNX's obligations under the Tender Offer and the Redemption, it intends to draw on its revolving credit facility to provide the additional funds to satisfy such obligations. Until CNX uses the remaining net proceeds of the sale of the Notes to fund the Redemption, if applicable, it will reduce amounts outstanding under its revolving credit facility.

The Notes have not been, and will not be, registered under the Securities Act of 1933, as amended (the "Securities Act"), or any state securities laws and, unless so registered, may not be offered or sold in the United States except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and the rules promulgated thereunder and applicable state securities laws. The Notes have been and will be offered only to persons reasonably believed to be qualified institutional buyers in reliance on Rule 144A under the Securities Act and non-U.S. persons in transactions outside the United States in reliance on Regulation S under the Securities Act.
