[Edison Lithium Corp.](#) (TSXV: EDDY) (OTC PINK: EDDYF) (FSE: VV0) ("Edison" or the "Company") is pleased to announce the appointment of A. Paul Gill as Chief Executive Officer, President, and Director of the Company effective March 1, 2026.

Mr. Gill is a business builder and financier with over 25 years of experience in creating, restructuring and growing businesses across various sectors, including mining, energy, automation and technology.

His career in mining started in 2001 when he was a founding Director of Norsemont Mining Corp., which was eventually bought by HudBay Minerals for \$512 million in 2011. Following that success, he founded Lomiko Metals, a junior exploration and development company which received development grants from both the US Department of Defense and the Canadian Natural Resource Ministry totalling \$16.7million for its graphite project. Mr. Gill then joined Pampa Metals Corp. (now Andina Copper), a South American copper explorer which is now a significant project developer in South America, as Chief Executive Officer.

Currently, he is a Director of Promethieus Technologies Inc., a company that invests in new technologies and is focused on the semiconductor industry, and Chief Executive Officer of Triple One Metals Inc. Through these roles, he has leveraged his skills and knowledge in finance, mergers and acquisitions, and strategic development. Mr. Gill graduated from Simon Fraser University in 1983 with a Bachelor of Arts.

"I am excited to join Edison Lithium and look forward to working with the management team and Board to build on the Company's foundation, advance its projects, and create long-term value for shareholders," said Mr. Gill.

The Company is delighted to welcome Mr. Gill to the Company as his depth of experience in corporate development and capital markets will be instrumental as the Company advances its strategic objectives. A. Paul Gill replaces Nathan Rotstein, who has retired from his management and Board roles. The Company thanks Mr. Rotstein for his contributions and leadership during his tenure and reports that he will remain involved as an advisor to the Company to ensure a smooth transition.

The Company also announces the appointment of Andrew Gainsbury, formerly the Company's Controller, as acting Chief Financial Officer on an interim basis. Mr. Gainsbury, CFA, CMA, has over 16 years of experience in financial management and consulting in both Canada and Brazil. His most recent experience includes serving as Controller for several publicly-listed Canadian junior mining companies. Previously, he was Chief Financial Officer of a Brazilian engineering firm with over 800 employees, as well as a senior consultant leading corporate finance projects across multiple industries for Deloitte in Brazil. He specializes in strategic management, mergers and acquisitions, fundraising, as well as corporate restructuring. He holds an MBA from McGill University and has earned his CFA and CMA designations.

Mr. Gainsbury replaces James (Jay) Richardson, who has temporarily stepped away from his duties as Chief Financial Officer for medical reasons. Mr. Richardson remains a director of the Company. The Company wishes Jay a speedy and full recovery.

About Edison Lithium Corp.

Edison Lithium Corp. is a Canadian-based junior mining exploration company focused on the procurement, exploration and development of cobalt, lithium, alkali and other energy metal properties. The Company's

acquisition strategy is based on acquiring affordable, cost-effective, and highly regarded mineral properties in areas with proven geological potential.
