

Blue Moon Announces Follow on Investment of C\$1.2M from Mining Contractor

03.03.2026 | [CNW](#)

[Blue Moon Metals Inc.](#) ("Blue Moon" or the "Company") (TSXV: MOON) (NASDAQ: BMM) is pleased to announce that Nilsen & Sønner AS ("LNS"), the Company's mining contractor at the Nussir copper-gold-silver project in Norway, has subscribed for 168,514 common shares in the Company, at a share price of \$7.208 (the "Financing").

This investment is in addition to LNS' initial C\$4.2 million subscription that closed on December 19, 2024 and the C\$1.1 million subscription that closed on May 8, 2025, which was triggered by the start of LNS underground mobilization at the Nussir project.

The Financing is subject to approval by the TSX Venture Exchange ("TSXV") and is expected to close on or about March 15, 2026. No finder's fees were paid in connection with the Financing, and the Common Shares issued pursuant to the Financing are subject to a statutory 4-month and one day hold period from the date of issuance. The proceeds from the Financing are to be used for underground development at the Project.

About Blue Moon

Blue Moon is advancing 5 brownfield polymetallic projects, including the Nussir copper-gold-silver project in Norway, the copper-zinc-gold-silver project in Norway, the Blue Moon zinc-gold-silver-copper project in the United States, the Springer tungsten-molybdenum project in the United States and the Apex germanium-gallium-copper in the United States. All 5 projects are well located with existing local infrastructure including roads, power and historical infrastructure. Zinc, copper and tungsten are currently on the USGS and EU list of metals critical to the global economy and national security and germanium and gallium are also on the USGS list of critical metals. Major shareholders include funds managed by Oaktree Capital Management, Hightower Partners LP, Wheaton Precious Metals, [Altius Minerals Corp.](#), Baker Steel Resources Trust, LNS and Monial. More information is available on the Company's website (www.bluemoonmetals.com).

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.

CAUTIONARY DISCLAIMER - FORWARD LOOKING STATEMENTS

This news release contains forward-looking statements and forward-looking information (collectively "forward-looking information") within the meaning of applicable Canadian and United States securities laws. All statements included herein, other than statements of historical fact, may be forward-looking information and such information involves various risks and uncertainties. Forward-looking information is often, but not always, identified by the use of words such as "seek", "anticipate", "plan", "continue", "estimate", "expect", "may", "will", "project", "predict", "potential", "targeting", "intend", "could", "might", "should", "believe" and similar expressions.

Without limiting the generality of the foregoing, this news release contains forward looking information pertaining to the expected benefits and synergies from the Transaction; production estimates and growth in reserve and resources of the Springer Mine and Mill; successful operation of the Springer Mine and Mill; production estimates and growth in reserve and resources of the Springer Mine and Mill; successful operation of the Apex project; and the continued testing, exploration and advancement of Blue Moon's operations across multiple jurisdictions; conversion of the Springer Mine and Mill to Springer Moon mining operations; mineral price expectations; and other matters ancillary or incidental to the foregoing.

A number of risks, uncertainties and other factors could cause actual results and events to differ materially from those expected or implied in the forward-looking information or could cause the Company's current objectives, strategies and intentions to change. These risks and uncertainties include but are not limited to: the inability of Blue Moon to complete and integrate the Transaction; risks associated with the integration of Springer Mine and Mill operations and Apex project; risks associated with mining operations in Nevada and Utah; regulatory and permitting risks at the state and federal level including with respect to the development of the Project.

Blue Moon Mine; and management's ability to anticipate and manage the factors and risks referred to herein. A comprehensive discussion of other risks that impact Blue Moon can also be found in its public reports and filings which are available at www.sedarplus.ca and on the website of the U.S. Securities and Exchange Commission at www.sec.gov.

The forward-looking information is based on certain key expectations and assumptions made by Blue Moon's management including but not limited to: expectations concerning prevailing commodity prices; the ability to obtain, renew and extend permits required; estimates of reserves and resources various sites; the integration of the Springer Mine and Mill operations; and estimates or reserves and resources at Apex.

Any forward-looking information contained in this news release represents management's current expectations and are information currently available to management and are subject to change after the date of this news release. According to the Company warns investors to exercise caution when considering statements containing forward-looking information and it would be unreasonable to rely on such statements as creating legal rights regarding the Company's future results or plans.

The Company cannot guarantee that any forward-looking information will materialize and readers are cautioned not to place reliance on this forward-looking information. Except as required by applicable securities laws, the Company is under no obligation to update or revise any forward-looking information, whether as a result of new information, future events or otherwise, unless expressly required by law. All of the forward-looking information in this news release is qualified by the cautionary statements herein.
