

Trigon Metals Announces Results of Annual General and Special Meeting of Shareholders

05.03.2026 | [Business Wire](#)

[Trigon Metals Inc.](#) (TSX-V: TM, OTCQX: PNTZF) ("Trigon" or the "Company") is pleased to announce the voting results from its Annual General and Special Meeting of Shareholders (the "Meeting") held earlier today.

At the Meeting, shareholders approved all matters brought before them.

Name Change

Shareholders approved a special resolution authorizing the Company to change its name to Safi Silver Corp. to reflect its renewed focus on polymetallic silver exploration projects in Morocco following the successful divestiture of its ownership interests in the Kombat Mine in Namibia.

The Company intends to complete the name change and will announce the effective date in due course. Upon completion, the Company's common shares are expected to commence trading under the ticker symbol "SF" on the TSX Venture Exchange, subject to final exchange approval.

Election of Directors

Shareholders approved the re-election of all management nominees to the board of directors of the Company to hold office until the next annual meeting of shareholders or until their successors are elected or appointed:

- Daye Kaba
- Nouredine Mokaddem
- Gabriel Olivier
- Jed Richardson
- Grant Sboros
- Larisa Sprott

Stock Option Plan and Restricted Share Unit & Deferred Unit Plan

Shareholders also approved the Company's stock option plan and the restricted share unit and deferred unit plan, authorizing the issuance of stock options in accordance with the policies of the TSX Venture Exchange. The plan is designed to attract, retain and motivate directors, officers, employees and consultants by providing them with the opportunity to participate in the long-term success of the Company.

Trigon Metals Inc.

Trigon Metals Inc. is a publicly traded Canadian exploration and development company with a core focus on copper and silver holdings in mining-friendly African jurisdictions. In Morocco, the Company is advancing two exploration projects: Addana, which hosts silver-bearing polymetallic veins, and Silver Hill, a sedimentary copper prospect undergoing ongoing evaluation. In Namibia, Trigon holds the Kalahari Copperbelt Project.
