VANCOUVER, March 6, 2026 - [Pegasus Resources Inc.](#) (TSXV:PEGA)(OTCQB:SLTFF)(FSE:OQS2) ("Pegasus" or the "Company") announces that it will hold its Annual General and Special Meeting of Shareholders (the "Meeting") on April 29, 2026 at 1200 - 750 West Pender Street, Vancouver, British Columbia to approve, among other things, the arrangement transaction (the "Transaction") with Aero Energy Limited, as further set out in the joint news release dated March 2, 2026 (the "Joint Release"). The record date for determining shareholders entitled to receive notice of and vote at the Meeting has been set as March 20, 2026.

As previously announced in the Joint Release, the Company terminated the binding letter of intent (the "LOI") with [Urano Energy Corp.](#) in respect of a proposed business combination. Prior to termination of the LOI, the Company had elected to delay its annual general meeting in order to combine the annual general meeting with a shareholder vote on the proposed business combination.

In connection with this Transaction, the Company requested, and the TSXV approved, a further extension to permit the Company to combine its annual general meeting with the shareholder vote relating to the Transaction on April 29, 2026.

Full details of the matters to be considered at the Meeting will be set out in the management information circular, which will be filed on SEDAR+ and distributed to shareholders in advance of the Meeting.
