

Walker Lane Resources Ltd. Provides Update On Management Cease Trade Order

09.03.2026 | [CNW](#)

[Walker Lane Resources Ltd.](#) (TSX-V: WLR) (Frankfurt: 6YL) (the "Company") announces that the Company continues to work diligently toward the completion and filing of the Company's annual audited financial statements and management's discussion and analysis for the fiscal year ended September 30, 2025 (the "Required Filings"). On February 23, 2026, the Company announced a private placement of units and flow-through units for gross proceeds of up to \$390,000, which in part will be used to complete the audited financial statements.

The Required Filings are due to be filed by March 30, 2025. In connection with the anticipated delays in making the Required Filings, the Company made an application for a Management Cease Trade Order ("MCTO") under NP 12-203 to the BC Securities Commission, as principal regulator for the Company, and the MCTO was issued on January 29, 2026. The MCTO restricts all trading by the Company's CEO and CFO in securities of the Company, whether direct or indirect. The MCTO does not affect the ability of persons who are not directors, officers or insiders of the Company to trade their securities. The MCTO will remain in effect until the Required Filings are filed or until it is revoked or varied.

The Company expects to proceed with the filing of its interim first-quarter financial statements shortly after the Required Filings have been completed and submitted.

The Company confirms that it intends to satisfy the provisions of the alternative information guidelines described in NP 12-203 by issuing bi-weekly default status reports in the form of a news release until it meets the Required Filings requirement. The Company has not taken any steps towards any insolvency proceeding and the Company has no material information relating to its affairs that has not been generally disclosed.
