

Lithium ION Energy Ltd. Announces Extension of Private Placement

10.03.2026 | [Newsfile](#)

[Lithium ION Energy Ltd.](#) (TSXV: ION) (FSE: ZA4) ("ION" or the "Company") announces, further to its news releases of January 14, 2026 and February 2, 2026, an extension of its previously announced non-brokered private placement of up to 37,500,000 units (the "Units") at a price of \$0.04 per Unit for gross proceeds of up to \$1,500,000 (the "Offering").

Each Unit of the Offering will consist of one common share of the Company and one common share purchase warrant. Each warrant will entitle the holder to purchase one common share of the Company at a price of \$0.05 at any time on or before that date which is twenty-four (24) months from the closing date of the Offering, subject to the approval of the TSX Venture Exchange ("TSXV"). These Units will be subject to a statutory four month hold period from the date of issuance.

The net proceeds from the Offering will be used maintain the Company's existing exploration portfolio, and for general working capital. The Units will be offered to qualified investors in reliance upon exemptions from the prospectus and registration requirements of applicable securities legislation. The Company may pay finders' fees to eligible finders in connection with the Offering, subject to compliance with applicable securities laws and the policies of the TSXV.

All securities issued and sold under the Offering will be subject to a hold period expiring four months and one day after the date of issuance in accordance with applicable securities laws and the policies of the TSXV. Completion of the Offering, and the payment of any finders' fees remain subject to the receipt of all necessary regulatory approvals, including the approval of the TSXV.

Forward-Looking Statements

Certain information contained herein constitutes "forward-looking information" under Canadian securities legislation. Forward-looking information includes, but is not limited to the extension of the Offering, the completion of the Offering on the terms and timing described herein, the Offering, the Company's proposed use of proceeds from the Offering, and receipt of TSXV approval for the Offering. Generally, forward-looking information can be identified by the use of forward-looking terminology such as "will", "anticipates" or variations of such words and phrases or statements that certain actions, events or results "will" occur. Forward-looking statements are based on the opinions and estimates of management as of the date such statements are made and they are from those expressed or implied by such forward-looking statements or forward-looking information subject to known and unknown risks, uncertainties and other factors that may cause the actual results to be materially different, including receipt of all necessary regulatory approvals. Although management of the Company have attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements or forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements and forward-looking information. The Company will not update any forward-looking statements or forward-looking information that are incorporated by reference herein, except as required by applicable securities laws.
