

Seabridge Gold Announces 2026 Objectives

10.03.2026 | [Newsfile](#)

Toronto, March 10, 2026 - For more than 20 years, Seabridge Gold (TSX: SEA) (NYSE: SA) has set and published annual objectives and reported the results of those objectives at the end of each year. We call it our report card. For our 2025 report card, please see [here](#). Our degree of success achieving these objectives is used to determine "at-risk" compensation for senior management and bonus considerations for other employees. Here are the 10 objectives set for 2026, and the weighting factors assigned by our Board.

This news release lists 10 objectives of the Company. Objectives are forward-looking statements of matters that the Company is working to achieve. There can be no assurance that such objectives will be achieved, and actual results could differ materially from those anticipated in such statements. Important factors that could cause actual results to differ materially from the Company's objectives or expectations include program execution issues, the market for advanced gold and copper projects, availability of financing for work programs, general economics, market or business conditions, receipt of, and timeliness of, government, regulatory or shareholder approvals, contractor non-performance, inability to participate in legal actions and other risks detailed from time to time in the filings made by the Company with securities regulators.

ON BEHALF OF THE BOARD
