Dividend Reinvestment Plan

The Company has previously implemented a Dividend Reinvestment Plan ("DRIP"). Participation in the DRIP is optional. For the purposes of this quarterly dividend, the Company has elected to issue common shares under the DRIP through treasury at the Average Market Price, as defined in the DRIP, without a discount.

The Company may, from time to time, in its discretion, apply, change or eliminate any discount applicable to Treasury Acquisitions, as defined in the DRIP, or direct that such common shares be purchased in Market Acquisitions, as defined in the DRIP, at the prevailing market price, any of which would be publicly announced.

The DRIP enrollment forms, including direct deposit, are available for download on the Company's website at www.wheatonpm.com, in the 'Investors' section under the 'Shareholder information' and 'Dividends' tabs.

Registered shareholders may also enroll in the DRIP online through the plan agent's self-service web portal.

Beneficial shareholders should contact their financial intermediary to arrange enrollment. All shareholders considering enrollment in the DRIP should carefully review the terms of the DRIP and consult with their advisors as to the implications of enrollment in the DRIP.
