14.03.2026 | [Newsfile](#)

[Barksdale Resources Corp.](#) (TSXV: BRO) (OTCQB: BRKCF) (FSE: 2NZ) ("Barksdale" or the "Company") is pleased to announce that due to recent market price changes, the Company is repricing its private placement with Crescat Capital LLC ("Crescat"), a strategic investor in Barksdale, consisting of 8,478,049 common share units in the capital of the Company (the "Units"), whereby the units shall be priced at \$0.09 per Unit for gross proceeds of \$763,024.41 (the "Offering").

Each Unit shall comprise one common share of the Company and one-half of one common share purchase warrant (each whole common share purchase warrant, a "Warrant"). Each Warrant shall entitle the holder thereof to purchase one common share of the Company at an exercise price of \$0.15 for a period of two (2) years from the date of issuance. No finder's fee is payable in connection with the private placement.

Use of proceeds includes funding for on-going corporate expenses.

This news release supersedes the Company's private placement news releases of March 10, 2026, and February 11, 2026.

Crescat's participation in the Offering will constitute a "related party transaction" as defined under Multilateral Instrument 61-101 Protection of Minority Security Holders in Special Transactions ("MI 61-101"). Such participation will be exempt from the formal valuation and minority shareholder approval requirements of MI 61-101 as neither the fair market value of the securities to be acquired by Crescat, nor the consideration for the securities to be paid by Crescat, will exceed 25% of the Company's market capitalization.
