

Nexus Uranium Announces At-the-Market Offering of up to \$10 Million and Provides Corporate Update

18.03.2026 | [Newsfile](#)

Vancouver, March 17, 2026 - [Nexus Uranium Corp.](#) (CSE: NEXU) (OTCQB: NEXUF) (FSE: JA7) ("Nexus" or the "Company") announces the establishment of an at-the-market equity offering, the grant of deferred share units ("DSUs") and restricted share units ("RSUs") to certain directors, officers, and consultants, and the resignation of Jordan Carroll from the Company's Board of Directors.

At-the-Market Offering

Nexus Uranium Corp. announces that it has entered into an equity distribution agreement (the "Distribution Agreement") with Haywood Securities Inc. ("Haywood" or the "Agent"). Under the Distribution Agreement, the Company will be entitled, at its discretion and from time-to-time during the term of the Distribution Agreement, to sell, through Haywood as sole and exclusive placement agent, such number of common shares of the Company (the "Common Shares") having an aggregate offering price of up to \$10,000,000 (the "ATM Offering"). Sales of the Common Shares will be made through "at-the-market distributions", as defined in National Instrument 44-102 - Shelf Distributions, directly on the Canadian Securities Exchange ("CSE") or, if any, other recognized Canadian "marketplace" within the meaning of National Instrument 21-101 - Marketplace Operations where the Common Shares are listed, quoted or otherwise traded. The volume and timing of distributions under the ATM Offering, if any, will be determined in the Company's sole discretion. The Common Shares will be distributed at market prices or prices related to prevailing market prices from time to time. As a result, prices of the Common Shares sold under the ATM Offering will vary as between purchasers and during the period of distribution. The ATM Offering will be effective until the earlier of (i) the issuance and sale of all of the Common Shares issuable pursuant to the ATM Offering and (ii) March 4, 2028, unless terminated prior to such date in accordance with the terms of the Distribution Agreement. In connection with the ATM Offering, the Agent will receive a cash commission equal to 3.0% of the gross proceeds of the Common Shares sold pursuant to the ATM Offering.

Distributions of the Common Shares under the ATM Offering will be made and qualified by way of a prospectus supplement (the "Prospectus Supplement") to the Company's existing short form base shelf prospectus (the "Base Shelf Prospectus") dated February 3, 2026. The Prospectus Supplement has been filed with the securities commissions in all provinces and territories of Canada. The Prospectus Supplement (together with the Base Shelf Prospectus) is available on the SEDAR+ website maintained by the Canadian Securities Administrators at www.sedarplus.ca. An electronic or paper copy of the Prospectus Supplement, the Base Shelf Prospectus and any amendment to the documents may be obtained, without charge, from the Company at info@nexusuranium.com or Haywood at ecm@haywood.com by providing the contact with an email address or address, as applicable.

The Company intends to use the net proceeds of the ATM Offering for exploration of its Chord Project in South Dakota, exploration of its South Pass project in Wyoming, and for general corporate purposes, including, among other possible uses, funding potential future acquisitions and other capital expenditures.

Award Grants

The Company also announces that it has granted an aggregate of 700,000 DSUs and 100,000 RSUs to certain directors, officers, and consultants of the Company, pursuant to its amended 2023 omnibus equity incentive compensation plan. 690,000 DSUs and all 100,000 RSUs will vest over a one-year period in four equal tranches, with 25% vesting every three months from the date of grant. The remaining 10,000 DSUs vest immediately upon grant.

The DSUs, RSUs, and the underlying common shares are subject to a four-month hold period in accordance

with applicable Canadian securities laws and the policies of the CSE.

Director Resignation

The Company announces the resignation of Jordan Carroll from its Board of Directors, effective March 19, 2026. Mr. Carroll is stepping down to pursue other opportunities. The Board of Directors and management of Nexus Uranium wish to thank Mr. Carroll for his contributions to the Company and wish him well in his future endeavors.
