

Sego Closes Final Tranche of \$925,600 Non-Brokered Placement

26.03.2026 | [Newsfile](#)

Vancouver, March 26, 2026 - [Sego Resources Inc.](#) (TSXV: SGZ) ("Sego" or "the Company"), has closed Tranche 2, the final tranche, of its non-brokered private placement announced in News Releases February 5, 2026 and February 10, 2026, issuing 8,350,000 shares for a total of \$501,000. The closing of the placement is subject to receipt of approval of the TSX-V.

Private Placement

The offering consisted of 15,426,665 units at \$0.06 per unit for gross proceeds of \$925,600. This final tranche brings the placement to a close.

Each unit will consist of one common share and one common share purchase warrant. Each warrant will entitle the holder to purchase an additional common share at \$0.10 for three years from the closing of the private placement. The warrants will contain an acceleration clause that will be in place 4 months and one day after the units are issued. If at any time after the date that is four months and one day after the closing date the closing trading price of the Common Shares on the TSX Venture Exchange is greater than Canadian \$0.18 per Common Share for a period of ten (10) consecutive Business Days, then the Company may give notice thereof and, in such case, the Expiry Time shall be 5:00 p.m. (Vancouver time) on the 30th day after the date on which such notice is deemed to have been given by the Company to the Holder.

There will be no Finder's Fees paid on the placement.

MI 61-101 Disclosure

An insider of the Company, insider by right of holding >10% of the issued and outstanding shares of the company, participated in the Offering for a total of 8,350,000 Units by FruchtExpress Grabher GMB & Co KG. The participation by such insiders is considered a "related-party transaction" within the meaning of Multilateral Instrument 61-101 - Protection of Minority Security Holders in Special Transactions ("MI 61-101"). The Company has relied on exemptions from the formal valuation and minority shareholder approval requirements of MI 61-101 contained in sections 5.5(a) and 5.7(1)(a) of MI 61-101 in respect of related party participation in the Offering as neither the fair market value (as determined under MI 61-101) of the subject matter of, nor the fair market value of the consideration for, the transaction, insofar as it involved the related parties, exceeded 25% of the Company's market capitalization (as determined under MI 61-101).

All of the securities sold pursuant to the offering will be subject to a four-month-and-one-day hold period from the date of closing. The hold period will expire on July 27, 2026.

The Company fully expects to spend the funds for general working capital and exploration of the Miner Mountain Project; there may be circumstances, for sound business reasons, where a re-allocation of funds may be necessary.

None of the securities issued in the Offering will be registered under the United States Securities Act of 1933, as amended (the "1933 Act").

Drill hole planning is proceeding and a team is preparing to go to the project to locate drill holes.

There is no material change about the issuer that has not been generally disclosed.
