

Graycliff Exploration Announces AGM Results

13:30 Uhr | [Newsfile](#)

Toronto, April 2, 2026 - [Graycliff Exploration Ltd.](#) (CSE : GRAY) (OTC Pink: GRYCF) (FSE : GE0) (the "Company" or "Graycliff") is pleased to announce that all matters submitted to shareholders at its Annual General Meeting (the "Meeting") held on Monday, March 30, 2026, were approved.

A total of 8,802,497 common shares were entitled to vote at the Meeting. The following three items were passed. Shareholders voted to fix the number of directors at five (5). The following nominees were elected to the Board of Directors to serve until the next annual meeting of shareholders: James Macintosh, Arndt Roehlig, Julio DiGirolamo, Bruce Durham and Jason Baker.

Clearhouse LLP was re-appointed as the auditors of the Corporation for the ensuing year, and the Board of Directors was authorized to fix their remuneration.

The Corporation's audited consolidated financial statements for the years ended December 31, 2025, and December 31, 2024, together with the report of the auditors and the management's discussion and analysis (MD&A), were formally received by the shareholders. These financials have been filed on SEDAR+.

The Company wishes to extend its sincere gratitude to Nicholas Konkin for his dedicated service on the Board of Directors for the past several years.

The Company also is pleased to announce that its previously announced private placement on March 3, 2026 is oversubscribed and is increasing the size to up to \$650,000 from up to \$600,000. Each unit will be composed of one common share of the company and one-half of one common share purchase warrant, each warrant to be exercisable at 18 cents per share for one year from issuance.

About Graycliff Exploration Limited

Graycliff Exploration is a mineral exploration company focused on its 1,468 hectares of prospective ground, located roughly 80 kilometres west of Sudbury on the prolific Canadian Shield. The Company's Shakespeare Project consists of one crown patented lease, two crown leases and 40 claims on a property associated with the historic Shakespeare Gold Mine. Graycliff to date has drilled over 12,500 metres at Shakespeare, with visible gold identified in a significant number of holes.

On Behalf of the Board of Directors,

James Macintosh
Chairman

Cautionary Note Regarding Forward-Looking Information: This press release contains "forward-looking information" within the meaning of applicable Canadian securities legislation. Forward-looking information includes, but is not limited to, statements with respect to: the completion of the Acquisition and satisfaction of conditions precedent thereto; the issuance of Consideration Shares and the timing of release of resale restrictions thereon; the Company's plans, objectives and expectations for exploration and development of the Shakespeare Project; and other events or conditions that may occur in the future. Forward-looking

information is based on a number of assumptions and is subject to a number of risks and uncertainties, many of which are beyond the Company's control, which could cause actual results and events to differ materially from those that are disclosed in or implied by such forward-looking information. Such risks and uncertainties include, but are not limited to: the risk that the Acquisition may not be completed on the terms announced or at all; general economic conditions; fluctuations in commodity prices; regulatory approvals and requirements; environmental and permitting risks; title risks; and other factors beyond the Company's control. The Company does not undertake any obligation to update such forward-looking information, whether as a result of new information, future events or otherwise, except as expressly required by applicable law. Accordingly, readers should not place undue reliance on forward-looking information.
