VANCOUVER, April 09, 2026 - [Selkirk Copper Mines Inc.](#) (TSX-V:SCMI | FRA:IO20 | OTCQB:SKRKF) ("Selkirk Copper" or the "Company") is pleased to announce that it has entered into an agreement with Canaccord Genuity Corp. on behalf of a syndicate of underwriters (collectively, the "Underwriters"), pursuant to which the Underwriters have agreed to purchase, on a bought-deal private placement basis, (i) 13,044,000 common shares of the Company (the "Common Shares") at a price of C\$1.15 per Common Share ("Common Share Offering Price") for aggregate gross proceeds of C\$15,000,600; and (ii) 2,942,000 common shares of the Company that will qualify as a "flow through share" within the meaning of subsection 66(15) of the Income Tax Act (Canada) (the "Tax Act") (the "Flow-Through Shares") at a price of C\$1.70 per Flow-Through Share for aggregate gross proceeds of C\$5,001,400.

The Company shall grant the Underwriters an option to purchase up to an additional 4,348,000 Common Shares at the Common Share Offering Price for additional gross proceeds of up to C\$5,000,200 exercisable at any time up to 48 hours prior to the closing of the Offering (the "Underwriters' Option").

The Company agrees and covenants that it will incur "Canadian exploration expenses" that qualify as "flow-through critical mineral mining expenditures" (the "Qualifying Expenditures") in an aggregate amount of not less than the total amount of the gross proceeds from the sale of the Flow-Through Shares (the "Commitment Amount") on or before December 31, 2027, and to renounce all the Qualifying Expenditures in an amount equal to the Commitment Amount in favour of the purchasers or substituted purchasers of the Flow-Through Shares effective December 31, 2026. In the event that the Company is unable to renounce Qualifying Expenditures as described above, and/or the Qualifying Expenditures are otherwise reduced by the Canada Revenue Agency, the Company will indemnify each purchaser or substituted purchaser for the additional Canadian income taxes payable by such purchaser or substituted purchaser as a result of the Company's failure to incur and renounce the Qualifying Expenditures or as a result of the reduction as agreed.

The net proceeds received from the sale of the Common Shares will be used to continue development of the Company's Minto Mine, as well as for working capital and general corporate purposes.

The Common Shares and Flow-Through Shares will be offered by way of private placement pursuant to applicable exemptions from prospectus requirements in each of the provinces of Canada and in the United States pursuant to an exemption from the registration requirements of the United States Securities Act of 1933, as amended, (the "1933 Act") and in such other jurisdictions outside of Canada and the United States provided it is understood that no prospectus filing or comparable obligation arises in such other jurisdiction.

It is anticipated that closing of the Offering will occur on or about April 30, 2026 or such other date or dates as the Company and the Underwriters may agree. The Offering is subject to the satisfaction of certain conditions, including receipt of all applicable regulatory approvals including the conditional approval of the TSX Venture Exchange. The securities to be issued in connection with the Offering will be subject to a statutory hold period of four months and one day from closing date in accordance with applicable securities laws.

The Underwriters will receive a cash commission equal to 6% of the gross proceeds of the sale of the Common Shares and Flow-Through Shares, except with respect to subscribers on the Company's "president's list" for which a cash commission equal to 2% shall be payable.

This news release does not constitute an offer to sell or a solicitation of an offer to buy nor shall there be any sale of any of the securities in any jurisdiction in which such offer, solicitation or sale would be unlawful, including any of the securities in the United States of America. The securities have not been and will not be

registered under the 1933 Act or any state securities laws and may not be offered or sold within the United States or to, or for account or benefit of, U.S. Persons (as defined in Regulation S under the 1933 Act) unless registered under the 1933 Act and applicable state securities laws, or an exemption from such registration requirements is available.
