Total Voting Rights

Application will be made for admission of the RSU Shares to trading on AIM. It is expected that admission will become effective and that dealings in the RSU Shares will commence on AIM at 8:00 a.m. on 14 April 2026.

Following admission of the RSU Shares, the Company's total issued share capital will consist of 465,462,030 common shares of no par value each, and each with voting rights. Given the Company does not hold any common shares in Treasury, this figure may be used by shareholders as the denominator for the calculations by which they will determine if they are required to notify their interest in, or a change in interest in, the share capital of the Company.
