THIS NEWS RELEASE IS NOT FOR DISTRIBUTION TO U.S. NEWSWIRE SERVICES OR FOR DISSEMINATION IN THE UNITED STATES

BURNABY, April 14, 2026 - [Bayhorse Silver Inc.](#) (BHS:TSX-V)(7KXN:FRANKFURT) (the "Company" or "Bayhorse") is pleased to announce that it has entered into an agreement with Red Cloud Securities Inc. ("Red Cloud") to act as sole agent and bookrunner in connection with a "best efforts" private placement (the "Marketed Offering") for gross proceeds of up to C\$4,000,010 from the sale of up to 57,143,000 units of the Company (the "Units") at a price of C\$0.07 per Unit (the "Offering Price").

Each Unit will consist of one common share of the Company (each, a "Common Share") and one common share purchase warrant (each, a "Warrant"). Each Warrant will entitle the holder thereof to purchase one Common Share (a "Warrant Share") at a price of C\$0.10 at any time on or before that date which is 36 months following the Closing Date (as herein defined).

The Company also grants to Red Cloud an option, exercisable in full or in part up to 48 hours prior to the closing of the Marketed Offering, to sell up to an additional 14,286,000 Units at the Offering Price for up to an additional C\$1,000,020 in gross proceeds (the "Agents' Option"). The Marketed Offering and the securities issuable upon exercise of the Agents' Option shall be collectively referred to as the "Offering".

The Company intends to use the net proceeds of the Offering for the exploration and advancement of the Company's Bayhorse Silver Mine and adjacent Pegasus Porphyry Copper Project in Idaho, U.S., as well as for general working capital and corporate purposes, as is more fully described in the Offering Document (as defined herein).

Subject to compliance with applicable regulatory requirements and in accordance with National Instrument 45-106 - Prospectus Exemptions ("NI 45-106"), the Units will be offered for sale to purchasers resident in the provinces of British Columbia, Alberta, Manitoba, Saskatchewan and Ontario pursuant to the listed issuer financing exemption under Part 5A of NI 45-106, as amended by Coordinated Blanket Order 45-935 - Exemptions from Certain Conditions of the Listed Issuer Financing Exemption (the "Listed Issuer Financing Exemption"). The securities issuable from the sale of Units issued pursuant to the Listed Issued Financing Exemption to purchasers resident in Canada are expected to be immediately freely tradeable in accordance with applicable Canadian securities legislation. The Units may also be sold in the United States or to, or for the account or benefit of, U.S. persons, by way of private placement pursuant to the exemptions from the registration requirements provided for under the United States Securities Act of 1933, as amended (the "U.S. Securities Act"), and in jurisdictions outside of Canada and the United States on a private placement or equivalent basis, in each case in accordance with all applicable laws, provided that no prospectus, registration statement or other similar document is required to be filed in such jurisdiction.

There is an offering document (the "Offering Document") dated April 14, 2026 related to the Offering that can be accessed under the Company's profile at www.sedarplus.ca and on the Company's website at: www.bayhorsesilver.com. Prospective investors should read this Offering Document before making an investment decision.

The Offering is anticipated to close on April 29, 2026, or such other date as the Company and Red Cloud may agree (the "Closing Date"). Completion of the Offering is subject to certain conditions including, but not limited to, the receipt of all necessary regulatory approvals, including the approval of the TSX Venture Exchange.

The securities have not been, and will not be, registered under the U.S. Securities Act, or any U.S. state securities laws, and may not be offered or sold to, or for the account or benefit of, persons in the United States or U.S. persons, absent registration under the U.S. Securities Act and all applicable U.S. state securities laws or in compliance with an exemption therefrom. This news release does not constitute an offer to sell or a solicitation of an offer to buy nor shall there be any sale of any of the securities in any jurisdiction in which such offer, solicitation or sale would be unlawful.

This news release has been prepared on behalf of the board of directors of Bayhorse Silver Inc. who accept full responsibility for its content.

Forward-Looking Statements:

This news release includes certain statements that may be deemed "forward-looking statements". In particular, this press release contains forward-looking information relating to, among other things, completion of the Offering, the anticipated closing date of the Offering, the intended use of proceeds of the Offering, and approval of the Offering from the TSX Venture Exchange. All statements in this news release, other than statements of historical facts, that address events or developments that the Company expects to occur, are forward-looking statements. Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects", "plans", "anticipates", "believes", "intends", "estimates", "projects", "potential" and similar expressions, or that events or conditions "will", "would", "may", "could" or "should" occur. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results may differ materially from those in the forward-looking statements. In particular, these forward-looking statements are based on assumptions regarding: (i) stability in precious metals markets and silver prices; (ii) no further significant macroeconomic shocks or disruptions; (iii) continued market liquidity and investor access to capital; (iv) recovery of investor sentiment in the junior mining sector; and (v) timely receipt of required regulatory approvals. Factors that could cause the actual results to differ materially from those in forward-looking statements include: fluctuations in metal and commodity prices; continued availability of equity capital and financing; extreme market volatility and changes in investor sentiment; general economic, market, and business conditions; macroeconomic shocks and trade policy uncertainty; market liquidity constraints; timing and receipt of regulatory approvals (including from the TSX Venture Exchange); and risk that market recovery timing may differ materially from management expectations. Readers are cautioned not to place undue reliance on forward-looking statements. For a complete discussion of risk factors affecting the Company, please refer to the "Risks and Uncertainties" section of the Company's most recent Management's Discussion and Analysis available on SEDAR+ at www.sedarplus.ca. Investors are cautioned that any forward-looking statements are not guarantees of future performance and actual results or developments may differ materially from those projected in the forward-looking statements. Forward-looking statements are based on the beliefs, estimates and opinions of the Company's management on the date the statements are made. Except as required by applicable securities laws, the Company undertakes no obligation to update these forward-looking statements in the event that management's beliefs, estimates or opinions, or other factors, should change.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the

policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
