

F3 Uranium Corp. Announces Closing of Bought Deal Private Placement for Gross Proceeds of C\$5.5 Million

17.04.2026 | [Newsfile](#)

[F3 Uranium Corp.](#) (TSXV: FUU) (OTCQB: FUUFF) (FSE: GL7) ("F3" or the "Company") is pleased to announce the closing of its previously announced "bought deal" private placement (the "Offering") for gross proceeds of C\$5,549,000, which includes the partial exercise of the Underwriters' (as defined herein) option. Pursuant to the Offering, the Company sold 27,745,000 flow-through common shares of the Company (the "FT Shares") at a price of C\$0.20 per FT Share (the "Offering Price").

The FT Shares were issued as "flow-through shares" within the meaning of subsection 66(15) of the Income Tax Act (Canada) and qualify as an eligible flow-through share" as defined in The Mineral Exploration Tax Credit Regulations, 2014 (Saskatchewan). The gross proceeds from the sale of FT Shares will be used by the Company to incur eligible "Canadian exploration expenses" that qualify as "flow-through critical mineral mining expenditures" as such terms are defined in the Income Tax Act (Canada), and to incur "eligible flow-through mining expenditures" pursuant to The Mineral Exploration Tax Credit Regulations, 2014 (Saskatchewan) (collectively, the "Qualifying Expenditures") related to the Company's uranium projects in the Athabasca Basin, Saskatchewan, on or before December 31, 2027. All Qualifying Expenditures will be renounced in favour of the subscribers of the FT Shares effective December 31, 2026.

Red Cloud Securities Inc. acted as lead underwriter and sole bookrunner, on behalf of a syndicate of underwriters including Canaccord Genuity Corp., Haywood Securities Inc. and SCP Resource Finance LP (collectively, the "Underwriters") under the Offering. In connection with the Offering, the Company paid to the Underwriters an aggregate cash commission of C\$305,195, equal to 5.5% of the gross proceeds raised in respect of the Offering. The Company also issued to the Underwriters a total of 1,525,975 warrants of the Company (the "Broker Warrants"), equal to 5.5% of the number of FT Units sold pursuant to the Offering. Each Broker Warrant entitles the holder thereof to purchase one common share of the Company at the Offering Price at any time on or before April 17, 2028.

The FT Shares are subject to a hold period in Canada ending on August 18, 2026, which is four months plus one day following the issue date as defined in Subsection 2.5(2) of Multilateral Instrument 45-102 - Resale of Securities. The closing of the Offering remains subject to the final approval of the TSX Venture Exchange.

This news release does not constitute an offer to sell or a solicitation of an offer to sell any of securities in the United States. The securities have not been and will not be registered under the United States Securities Act of 1933, as amended (the "U.S. Securities Act") or any state securities laws and may not be offered or sold within the United States or to U.S. Persons unless registered under the U.S. Securities Act and applicable state securities laws or an exemption from such registration is available.

Forward-Looking Information

This press release contains "forward-looking information" within the meaning of applicable Canadian securities laws. Any statements that express or involve discussions with respect to predictions, expectations, beliefs, plans, projections, objectives, assumptions or future events or performance (often, but not always, identified by words or phrases such as "believes", "anticipates", "expects", "is expected", "scheduled", "estimates", "pending", "intends", "plans", "forecasts", "targets", or "hopes", or variations of such words and phrases or statements that certain actions, events or results "may", "could", "would", "will", "should" "might", "will be taken", or "occur" and similar expressions) are not statements of historical fact and may be forward-looking statements. Forward-looking information herein includes, but is not limited to, statements that address activities, events or developments that F3 expects or anticipates will or may occur in the future including statements regarding the intended use of proceeds of the Offering, the tax treatment of the FT Shares and the final approval of the Offering from the TSX Venture Exchange.

Forward-looking statements and forward-looking information relating to any future mineral production, liquidity, enhanced value and capital markets profile of the Company, future growth potential for the Company and its business, and future exploration plans are based on management's reasonable assumptions, estimates, expectations, analyses and opinions, which are based on management's experience and perception of trends, current conditions and expected developments, and other factors that management believes are relevant and reasonable in the circumstances, but which may prove to be incorrect. Assumptions have been made regarding, among other things, the price of metals; costs of exploration and development; the estimated costs of development of exploration projects; the Company's ability to operate in a safe and effective manner.

These statements reflect the Company's respective current views with respect to future events and are necessarily based upon a number of other assumptions and estimates that, while considered reasonable by management, are inherently subject to significant business, economic, competitive, political and social uncertainties and contingencies. Many factors, both known and unknown, could cause actual results, performance, or achievements to be materially different from the results, performance or achievements that are or may be expressed or implied by such forward-looking statements or forward-looking information and the Company has made assumptions and estimates based on or related to many of these factors. Such factors include, without limitation: the future tax treatment of the FT Shares, competitive risks and the availability of financing; uranium price volatility; risks associated with the conduct of the Company's exploration activities; regulatory, consent or permitting delays; risks relating to reliance on the Company's management team and outside contractors; the Company's inability to obtain insurance to cover all risks, on a commercially reasonable basis or at all; currency fluctuations; risks regarding the failure to generate sufficient cash flow from operations; risks relating to project financing and equity issuances; risks and unknowns inherent in all mining projects; contests over title to properties, particularly title to undeveloped properties; laws and regulations governing the environment, health and safety; operating or technical difficulties in connection with mining, development or exploration activities; employee relations, labour unrest or unavailability; the Company's interactions with surrounding communities; the speculative nature of exploration and development; stock market volatility; conflicts of interest among certain directors and officers;

lack of liquidity for shareholders of the Company; litigation risk; and the factors identified in the Company's public disclosure documents. Readers are cautioned against attributing undue certainty to forward-looking statements or forward-looking information. Although the Company has attempted to identify important factors that could cause actual results to differ materially, there may be other factors that cause results not to be anticipated, estimated or intended. The Company does not intend, and does not assume any obligation, to update these forward-looking statements or forward-looking information to reflect changes in assumptions or changes in circumstances or any other events affecting such statements or information, other than as required by applicable law.
