On February 11, 2026, the Company announced that it entered into a digital marketing agreement (the "BorsenBlick Agreement") with SnowBridge Limited (dba BorsenBlick), a European-based marketing agency, to support investor awareness and strengthen its brand visibility. Under the agreement, BorsenBlick provided online marketing and awareness services for an initial budget of \$161,000 for a 2 month term, of which \$80,500 was paid on February 12, 2026 and \$80,500 was paid on March 11, 2026. The services were completed on April 10, 2026. On March 31, 2026, the Company engaged the services of ITG to provide market-making services in accordance with TSX Venture Exchange policies. ITG will trade shares of the company on the TSX-V and all other trading venues with the objective of maintaining a reasonable market and improving the liquidity of the company's common shares.

Under the agreement, ITG will receive compensation of \$6,000 per month, payable monthly in advance. ITG will use its own funds in connection with the market making services. The agreement is for an initial term of one month and will renew for additional one-month terms, at the same compensation, unless terminated. The agreement may be terminated by either party with 30 days of notice. There are no performance factors contained in the agreement and ITG will not receive shares or options as compensation. ITG and the company are unrelated and unaffiliated entities, and at the time of the agreement, neither ITG nor its principals have an interest, directly or indirectly, in the securities of the company.
