

Miata Metals Announces Listing on the TSX Venture Exchange

21.04.2026 | [GlobeNewswire](#)

VANCOUVER, April 21, 2026 - [Miata Metals Corp.](#) (CSE: MMET) (FSE: 8NQ) (OTCQX: MMETF) ("Miata" or the "Company") is pleased to announce that effective April 23, 2026, the common shares of the Company will commence trading on the TSX Venture Exchange ("TSXV") under the symbol MMET.

In connection with the TSXV listing, the Company will delist its common shares from the Canadian Securities Exchange as of market close on April 22, 2026.

Dr. Jaap Verbaas, CEO, stated: "We are pleased to receive approval to list on the TSXV. This milestone reflects the quick progress we have made at our Sela Creek Gold Project and the growing scale of our discoveries at Big Berg and Jons Trend. We believe the TSXV listing will enhance our visibility, improve share liquidity, and create access to a broader group of institutional and retail investors globally as we continue to advance our exploration programs".

The Company's trading symbol remains unchanged, and shareholders are not required to take any action in connection with the CSE delisting and TSXV listing. The Company's common shares will continue to trade on the OTCQX Best Market under the symbol "MMETF" and on the Frankfurt Stock Exchange under the symbol "8NQ".

About Miata Metals Corp.

Miata Metals Corp. (CSE: MMET) is a Canadian mineral exploration company listed on the Canadian Securities Exchange, as well as the OTCQX (OTCQX: MMETF) and Frankfurt (FSE: 8NQ) Exchanges. The Company is focused on the acquisition, exploration, and development of mineral properties. The Company holds a 70% interest in the ~215 km² Sela Creek Gold Project with an option to acquire a full 100% interest in the Project, and a 70% beneficial interest in the Nassau Gold Project with an option to acquire 100%. Both exploration properties are located in the greenstone belt of Suriname.

On Behalf of the Board

Dr. Jacob (Jaap) Verbaas, P.Geol | CEO and Director

Forward-Looking Statements

Certain information contained herein constitutes "forward-looking information" under Canadian securities legislation. Generally, forward-looking information can be identified by the use of forward-looking terminology such as "anticipates", "anticipated", "expected", "intends", "will" or variations of such words and phrases or statements that certain actions, events or results "will" occur. Forward-looking statements are based on the opinions and estimates of management as of the date such statements are made and they are from those expressed or implied by such forward-looking statements or forward-looking information subject to known

and unknown risks, uncertainties and other factors that may cause the actual results to be materially different, including receipt of all necessary regulatory approvals. Although management of the Company have attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements or forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements and forward-looking information. The Company will not update any forward-looking statements or forward-looking information that are incorporated by reference herein, except as required by applicable securities laws.

The Canadian Securities Exchange has not reviewed this press release and does not accept responsibility for the adequacy or accuracy of this news release.
