

# Ellis Martin Report: Goliath Resources: - High-Grade Gold Discovery Expands in British Columbia

23.04.2026 | [ABN Newswire](#)

Malibu, CA, United States - Goliath Resources (CVE:GOT) (OTCMKTS:GOTRF) (FRA:B4IF) continues to advance its high-grade gold discovery in the prolific Golden Triangle of British Columbia.

In this interview, CEO Roger Rosmus discusses the latest exploration success, including high-grade gold intercepts, expanding mineralization, and the growing scale of the Surebet Discovery.

With strong drilling results, increasing market attention, and a strategic location in one of the world's most prospective mining districts, Goliath is positioning itself as a significant emerging gold story.

## Key Highlights:

- High-grade gold intercepts from ongoing drilling
- Expansion of the Surebet Discovery
- Located in the Golden Triangle, BC
- Fully funded exploration programs
- Strong upside potential as drilling continues

As gold demand remains strong and new discoveries become increasingly rare, projects like Goliath's are drawing increased investor interest.

## About Goliath Resources Limited:

[Goliath Resources Ltd.](#) (CVE:GOT) (OTCMKTS:GOTRF) (FRA:B4IF) is a junior resource exploration company of precious metal projects in the prolific Golden Triangle and north-western areas of British Columbia.

The Company is on track with a new discovery of a large high-grade gold system at its Golddigger property that was never drilled before in the Golden Triangle of B.C.; it remains open. The Surebet discovery was never explored or drilled before due to previous glacier and permanent snowpack covering it. The project is located in a world-class geological setting and mining friendly jurisdiction. The Golddigger property sits on tidewater and has excellent infrastructure with a permitted mill site in Kitsault nearby.

Significant shareholders include Crescat Capital, Mr. Eric Sprott, Mr. Rob McEwen and a Global Commodity Group based in Singapore; Dr. Quinton Hennigh is a technical advisor.

## About The Ellis Martin Report:

The Ellis Martin Report (EMR) and Money Talk Radio feature interviews with industry leaders in mining, biotech, energy, and technology. The program is globally syndicated through multiple financial platforms and streaming services.
