Toronto, April 24, 2026 - [Protium Clean Energy Corp.](#) (CSE: GRUV) (the "Company") announces that it is relying on the exemptions provided under Coordinated Blanket Order 51-933 Exemptions to Permit Semi-Annual Reporting for Certain Venture Issuers (the "Blanket Order") and move to semi-annual financial reporting ("SAR").

The Blanket Order allows eligible venture issuers to voluntarily move from quarterly to semi-annual financial reporting. By adopting SAR, the Company aims to reduce the administrative and financial burden associated with quarterly reporting.

Under the Blanket Order, the Company will be exempt from filing interim financial reports and related Management's Discussion & Analysis (MD&A) for its first and third quarters. As a result, the Company will not file interim financial statements and related MD&A for the three-month period ending February 28, 2026, and nine-month period ending August 31, 2026. The Company will continue to file audited annual financial statements and MD&A (due within 120 days of November 30) and six-month interim financial statements and MD&A (due within 60 days of May 31).

The Company confirms it meets the Blanket Order's eligibility criteria, which include being a venture issuer with annual revenues of less than \$10 million, having a disclosure record of over 12 months and having filed all required periodic and timely continuous disclosure documents.

This news release is being filed pursuant to Coordinated Blanket Order 51 - 933 Exemptions to Permit Semi-Annual Reporting for Certain Venture Issuers.
