- **Third-Party Recognition:** We continued our trend of improvement within sustainability ratings and rankings, by the end of 2025 placing in the top 10% of the mining industry as ranked by ISS ESG, top 25% by S&P Global, top 34% by Sustainalytics, and top 15% by the London Stock Exchange Group.

The 2025 Sustainability Report provides shareholders and stakeholders of First Majestic an annual progress report against its public sustainability commitments. The Company is pleased to share that in 2025 First Majestic met all its sustainability targets and commitments, successfully integrated Los Gatos into its portfolio, and is reporting its lowest carbon intensity on record.

"Our 2025 Sustainability Report's theme of Growing in Harmony reflects what matters most at First Majestic: operating with integrity, protecting our people and the environment, and creating long-term value," said Keith Neumeyer, CEO. "In a year marked by record production, financial performance and the successful integration of Los Gatos, we demonstrated that strong performance and responsible mining go hand in hand; guided by the values that have long defined our Company."

"The acquisition of Los Gatos in 2025 was a defining moment for First Majestic, and Growing in Harmony captures how closely aligned our teams, values, and sustainability strategies truly are," said Mani Alkhafaji, President & Chief Corporate Development Officer. "This integration strengthened our portfolio while reinforcing our commitment to safe, environmentally responsible mining and meaningful partnerships with our communities."

2026 AGM INFORMATION

The Company's 2026 AGM will be held on Wednesday, June 10, 2026, at 10:00 a.m. (Pacific Time) at the offices of Bennett Jones LLP, located at Suite 2500 - 666 Burrard Street, Vancouver, British Columbia V6C 2X8.

As in prior years, the Company has adopted the notice and access model ("Notice and Access") under National Instrument 54-101 Communication with Beneficial Owners of Securities of a Reporting Issuer for the delivery to shareholders of record as of April 15, 2026 (the "Record Date") of the Notice of Meeting, Management Information Circular, Form of Proxy or Voting Instruction Form (as applicable) and our audited financial statements and management's discussion and analysis for the year ended December 31, 2025 (collectively, the "Meeting Materials") in connection with the 2026 AGM.

Under Notice and Access, instead of receiving printed copies of the Meeting Materials, shareholders receive a Notice and Access notification containing details relating to the 2026 AGM such as the date, location and purpose, as well as information on how they can access the Meeting Materials electronically. Using the Notice and Access method allows the Company to deliver the Meeting Materials to our shareholders in a more environmentally friendly and sustainable way that helps reduce paper usage and our carbon footprint, and it reduces the printing and mailing costs. However, shareholders with existing instructions on their account to receive printed materials will receive a printed copy of the Meeting Materials, and any other shareholders who wish to receive a printed copy of the Meeting Materials may follow the instructions set out in the Notice and Access notification that they will receive.

The Company has retained the Laurel Hill Advisory Group ("Laurel Hill") to assist anyone who is a First Majestic shareholder as of the Record Date with voting their shares. Once you have received the Meeting Materials in the mail, if you need assistance with voting your First Majestic shares, please reach out to Laurel Hill by telephone at 1-877-452-7184 (toll-free in North America) or 1-416-304-0211 (text and call enabled outside North America, please text "INFO" to either number), or by email at assistance@laurelhill.com.
