

Liberty Gold Announces Board Transition

12:00 Uhr | [GlobeNewswire](#)

VANCOUVER, April 30, 2026 - [Liberty Gold Corp.](#) (TSX: LGD; OTCQX: LGDTF) ("Liberty Gold" or the "Company") announces that Mr. Rob Pease will not stand for re-election to the Company's Board of Directors at the upcoming Annual General Meeting of Shareholders to be held on June 17, 2026.

Mr. Pease has served on the Board of Liberty Gold for approximately 15 years, including a period as Chair, and has played a key role in guiding the Company through multiple stages of its development.

Jon Gilligan, President and CEO, commented, "*Rob has played an integral role in the evolution of Liberty Gold, providing continuity, sound judgment, and perspective across multiple chapters of the Company's development. His strategic insight, rigorous approach to governance, and unwavering commitment to shareholders have left a lasting imprint on the Company.*"

Mr. Pease will remain engaged with Liberty Gold in an advisory capacity as Corporate Advisor, ensuring continued access to his experience and perspective. The Board remains well-positioned with a strong mix of technical, financial and permitting expertise.

On behalf of the Board and management team, Liberty Gold extends its sincere appreciation to Mr. Pease for his longstanding service, leadership, and meaningful contributions to the Company.

ABOUT LIBERTY GOLD

Liberty Gold is a U.S.-focused gold company advancing Black Pine, its 100% owned oxide gold project in Idaho, located within the Great Basin, one of the world's most productive and mining-friendly gold regions. Black Pine is a large-scale, past-producing, run-of-mine heap leachable gold deposit progressing through feasibility and permitting toward a modern open-pit mining operation. The Company's strategy is centered on advancing high-quality, long-life gold assets, with a clear focus on technical simplicity, strong environmental performance, project executability, collaborative permitting processes, and value creation. This reflects Liberty Gold's commitment to the discipline of delivery. The Company is led by an experienced team with a track record of discovery, development, and delivering sustained long-term value.

This news release contains "forward-looking information" and "forward-looking statements" within the meaning of applicable securities laws, including statements or information concerning, future financial or operating performance of Liberty Gold and its business, operations, properties and condition; planned de-risking activities at Liberty Gold's mineral properties; future updates to the mineral resource, the potential quantity, recoverability and/or grade of minerals; the potential size of a mineralized zone or potential expansion of mineralization; proposed exploration and development of Liberty Gold's exploration property interests; future water rights acquisitions; the results of mineral resource estimates or mineral reserve estimates and preliminary feasibility studies; and the Company's anticipated expenditures.

Forward-looking information is often, but not always, identified by the use of words such as "seek", "anticipate", "plan", "continue", "planned", "expect", "project", "predict", "potential", "targeting", "intends", "believe", "potential", and similar expressions, or describes a "goal", or variation of such words and phrases or state that certain actions, events or results "may", "should", "could", "would", "might" or "will" be taken, occur or be achieved. Forward-looking information is not a guarantee of future performance and is based upon a number of estimates and assumptions of management at the date the statements are made including, among others, assumptions about future prices of gold, and other metal prices, currency exchange rates and interest rates, favourable operating conditions, political stability, timely receipt of governmental or regulatory

approvals, including any stock exchange approvals; receipt of a financing on time, obtaining renewals for existing licenses and permits and obtaining required licenses and permits, labour stability, stability in market conditions, availability of equipment, results or timing of any mineral resources, results or timing of any baseline studies, resource conversion, pre-feasibility study, mineral reserves, or feasibility study; the availability of drill rigs, successful resolution of disputes and anticipated costs and expenditures. Many assumptions are based on factors and events that are not within the control of Liberty Gold and there is no assurance they will prove to be correct.

Such forward-looking information, involves known and unknown risks, which may cause the actual results to be materially different from any future results expressed or implied by such forward-looking information, including, risks related to the interpretation of results and/or the reliance on technical information provided by third parties as related to the Company's mineral property interests; changes in project parameters as plans continue to be refined; current economic conditions; future prices of commodities; possible variations in grade or recovery rates; the costs and timing of the development of new deposits; failure of equipment or processes to operate as anticipated; the failure of contracted parties to perform; the timing and success of exploration activities generally; the timing or results of the publication of any mineral resources, mineral reserves or feasibility studies; delays in permitting; possible claims against the Company; labour disputes and other risks of the mining industry; delays in obtaining governmental approvals, financing, timing of the completion of exploration as well as those factors discussed in the Annual Information Form of the Company dated March 25, 2026, in the section entitled "Risk Factors", under Liberty Gold's SEDAR+ profile at www.sedarplus.ca.

Although Liberty Gold has attempted to identify important factors that could cause actual actions, events or results to differ materially from those described in forward-looking information, there may be other factors that cause actions, events or results not to be as anticipated, estimated or intended. There can be no assurance that such information will prove to be accurate as actual results, and future events could differ materially from those anticipated in such statements. Liberty Gold disclaims any intention or obligation to update or revise any forward-looking information, whether as a result of new information, future events or otherwise, except for material differences between actual results and previously disclosed material forward-looking information, or as otherwise required by law.

Except for statements of historical fact, information contained herein or incorporated by reference herein constitutes forward-looking statements and forward-looking information. Readers should not place undue reliance on forward-looking information. All forward-looking statements and forward-looking information attributable to us is expressly qualified by these cautionary statements.
