Vancouver, May 4, 2026 - [Akwaaba Mining Ltd.](#) (TSXV: AML) ("Akwaaba" or the "Company") is pleased to announce the successful renewal of its prospecting license for the Kunsu project located in the Ahafo Ano South District of the Ashanti Region of Ghana, granted by the Minerals Commission of Ghana.

The renewed license for a period of 3 years until April 28, 2029, will allow the Company to continue exploration activities in the area.

The renewal reflects Akwaaba's compliance with all regulatory requirements and underscores the Company's commitment to responsible and sustainable exploration practices.

The prospecting license covers approximately 141km<sup>2</sup> one of the largest concessions in the country and is considered highly prospective for gold exploration.

"This renewal is a crucial milestone for the company, enabling us to continue advancing our exploration program and building on the positive results achieved to date while gold prices are achieving records after records," said Allan Green, CEO.

With the license renewal secured, Akwaaba plans to advance drilling programs in line with its strategic objectives.
