Quinn Field-Dyte, Chief Executive Officer commented "Becoming a member of NDIA reflects our commitment to aligning our critical minerals strategy with the priorities of national security, supply chain resilience, and responsible domestic resource development. We look forward to engaging with NDIA's membership, participating in constructive dialogue, and contributing to discussions that support secure and sustainable access to strategic materials."

Membership in NDIA provides the Company with access to defense-focused industry forums, policy discussions, technical working groups, and networking opportunities relevant to critical minerals, advanced materials, and supply chain security. Through its participation, the Company aims to remain informed on evolving defense requirements, regulatory considerations, and partnership opportunities that support the development of a resilient and secure North America.

About Vault Strategic Mining Corp.

Vault Strategic Mining Corp. is a North American resource company focused on the acquisition and advancement of strategic and critical mineral projects located in top-tier mining jurisdictions. The Company emphasizes historical and underexplored assets with potential for value creation through modern exploration and disciplined development. #### Disclaimer for Forward-Looking Information

This release includes forward-looking statements regarding Vault, and the Letain Project, which may include, but is not limited to, statements with respect to the completion of the acquisition of the Letain Project, and the ability to obtain regulatory approvals, and other factors. Often, but not always, Forward-looking statements can be identified by the use of words such as "plans", "is expected", "expects", "scheduled", "intends", "contemplates", "anticipates", "believes", "proposes", "estimates" or variations of such words and phrases, or state that certain actions, events or results "may", "could", "would", "might" or "will" be taken, occur or be achieved. Such statements are based on the current expectations of the management of each entity. The forward-looking events and circumstances discussed in this release, including completion of the acquisition of the Letain Project, may not occur by certain specified dates or at all and could differ materially as a result of known and unknown risk factors and uncertainties affecting the Company, including the risk that VAULT may not obtain all requisite approvals for the acquisition, including the approval of the TSXV, risks of the resource industry, failure to obtain any other required regulatory approvals, economic factors, any estimated amounts, timing of the acquisition and required payments, the equity markets generally and risks associated with growth, exploration and development. Although VAULT has attempted to identify important factors that could cause actual actions, events or results to differ materially from those described in forward-looking statements, there may be other factors that cause actions, events or results to differ from those anticipated, estimated or intended. No forward-looking statement can be guaranteed. Except as required by applicable securities laws, forward-looking statements speak only as of the date on which they are made VAULT undertakes no obligation to publicly update or revise any forward-looking statement, whether as a result of new information, future events, or otherwise.
