

# Canadian Silver Hunter Inc. Announces Adoption of Semi-Annual Reporting and Reliance on Quarterly Reporting Exemption Under Coordinated Blanket Order 51-933

14.05.2026 | [Newsfile](#)

Toronto, May 14, 2026 - [Canadian Silver Hunter Inc.](#) (TSXV: AGH.H) (the "Company") announces that it has elected to adopt semi-annual financial reporting in reliance on Coordinated Blanket Order 51-933, Exemptions to Permit Semi-Annual Reporting for Certain Venture Issuers ("CBO 51-933").

CBO 51-933 allows eligible venture issuers to voluntarily transition from quarterly to semi-annual financial reporting. By adopting semi-annual reporting, the Company intends to reduce the administrative and financial burden associated with quarterly reporting and to allocate additional time and resources toward advancing its business objectives.

The Company confirms that it meets the eligibility criteria under CBO 51-933, as it is a venture issuer with its securities listed on a recognized exchange, has annual revenues of less than \$10 million, has a disclosure record of more than 12 months, and has filed all required periodic and timely continuous disclosure documents.

Pursuant to CBO 51-933, the Company has elected not to file interim financial reports and related management's discussion and analysis ("MD&A") for its first and third quarters. The first interim period for which the Company will rely on the exemption is the three-month period ended March 31, 2026, for which the Company will not file interim financial statements or related MD&A. The Company's first semi-annual reporting period will be the six-month period ending June 30, 2026. The Company intends to continue reporting on a semi-annual basis, subject to the continued availability of CBO 51-933 and the Company remaining eligible thereunder.

The Company will continue to file audited annual financial statements and related MD&A, as well as interim financial statements and related MD&A for its six-month periods, in accordance with applicable securities laws. The Company will also continue to comply with its timely disclosure obligations under National Instrument 51-102 Continuous Disclosure Obligations.

This news release is being filed pursuant to Coordinated Blanket Order 51 - 933 Exemptions to Permit Semi-Annual Reporting for Certain Venture Issuers.
