

Revival Gold Announces Adoption of Shareholder Rights Plan and Corporate Update

21.05.2026 | [ACCESS Newswire](#)

TORONTO, May 21, 2026 - [Revival Gold Inc.](#) (TSXV:RVG)(OTCQX:RVLGF) ("Revival Gold" or the "Company") announced today that its board of directors (the "Board") has unanimously approved the adoption of a "new generation" shareholder rights plan (the "Rights Plan") pursuant to a shareholder rights plan agreement entered into with Computershare Investor Services Inc., as rights agent, dated May 21, 2026 (the "Effective Date").

In alignment with good governance practices, the Rights Plan is being adopted to help ensure that all shareholders of the Company are treated fairly and equally in the event of any unsolicited take-over bid or other acquisition of control of the Company (including by way of a "creeping take-over bid"), allowing the Board time and opportunity to identify, solicit and develop potential alternatives to any unsolicited take-over bids or similar transactions. The Rights Plan also may prevent a potential acquirer from entering into lock-up agreements with existing shareholders prior to launching a take-over bid, except for permitted lock-up agreements as specified in the Rights Plan. The Rights Plan is not being adopted in response to any formal proposal or intention to acquire control of the Company, nor is the Board aware of any pending or threatened take-over bid for the Company. As a result, the Board of Directors has determined that it is advisable and in the best interests of the Company and its shareholders that the Company has in place a shareholder rights plan in the form of the Rights Plan.

The Rights Plan

Pursuant to the Rights Plan, 12:01 a.m. on the Effective Date (the "Record Time") one right (a "Right") was attached to each common share of the Company outstanding as of the Effective Date under the Rights Plan. A right will also be attached to each common share issued after the Record Time in accordance with the terms of the Rights Plan. The issuance of Rights will not change the manner in which shareholders may trade their common shares and the rights will automatically attach to the common shares with no further action by shareholders being required.

Subject to the terms of the Rights Plan, the Rights become exercisable if a person (an "Acquiring Person"), together with certain related persons (including persons acting "jointly or in concert", as defined in the Rights Plan), becomes the beneficial owner of 20% or more of the outstanding common shares (the "Stipulated Percentage") after the Record Time, without complying with the "Permitted Bid" provisions of the Rights Plan. Following a transaction that results in a person becoming an Acquiring Person, the Rights entitle the holder thereof (other than the Acquiring Person and certain related persons), to purchase common shares at a significant discount to the market price at that time.

Under the Rights Plan, a "Permitted Bid" is a take-over bid made in compliance with the Canadian take-over bid regime. Specifically, a Permitted Bid is a take-over bid that is made to all shareholders, that is open for 105 days (or such shorter period as is permitted under the Canadian take-over bid regime) and that contains certain conditions, including that no common shares will be taken up and paid for unless more than 50% of the common shares that are held by independent shareholders are tendered to the take-over bid.

The Rights Plan is similar to shareholder rights plans adopted by other Canadian public companies and ratified by their shareholders. While the Rights Plan is effective as of the Effective Date, it is subject to shareholder ratification within six months of adoption, failing which it will terminate. The Company will be seeking shareholder ratification of the Rights Plan on a to-be-determined date. Adoption of the Rights Plan is also subject to the acceptance of the TSX Venture Exchange.

The description of the Rights Plan in this press release is qualified in its entirety by the full text of the Rights Plan, which will be available under the Company's profile on SEDAR+ at www.sedarplus.ca.

Corporate Update

Revival Gold further announces the departure of Scott Trebilcock, VP, Corporate Development and Investor Relations. Scott joined Revival Gold in October 2025 working remotely from Vancouver, B.C. to assist with the close of the Mercur Barrick transaction and the launch of several marketing initiatives to help increase awareness and interest in the Company. We thank Scott for his efforts on behalf of the Company and wish him well with his future endeavours.
