[Artemis Gold Inc.](#) (TSXV: ARTG) ("Artemis Gold" or the "Company") is pleased to announce the appointment of Mr. Erik Marchand, currently Vice President Finance, as the Company's Chief Financial Officer and Corporate Secretary effective July 1, 2026. As part of a planned leadership succession, Erik will be replacing Gerrie van der Westhuizen, who has informed the Company of his planned departure on July 31, 2026. Mr. Van der Westhuizen joined the Company in January 2021 and has served as CFO since January 2023.

Artemis Gold CEO Dale Andres commented: "We congratulate Erik on his appointment. Erik has been working in lockstep with Gerrie over the past five years and more recently was responsible for the successful completion of the Company's bond offering and the announced dividend policy. He has been integral in strengthening our balance sheet and we have been planning for this smooth transition for some time.

"We also thank Gerrie for his dedicated service to the Company during a pivotal period as we successfully carried out Phase 1 construction and transitioned into operations and our subsequent expansion phases. During Gerrie's tenure, the Company completed and refinanced its project loan facility, standby-facility and master lease agreements and amended both the silver and gold streams. We wish him well as he enjoys time with family here in Canada and back in his native South Africa."
