05.06.2026 | [GlobeNewswire](#)

CALGARY, June 05, 2026 - [Crown Point Energy Inc.](#) (TSX-V: CWV) ("Crown Point" or the "Company") is pleased to announce that it has filed a (final) short form prospectus (the "Prospectus") in each of the provinces of Canada, other than Québec, with respect to an offering (the "Rights Offering") of rights ("Rights") to acquire common shares of the Company ("Common Shares") to raise gross proceeds of US\$30 million.

Pursuant to the Rights Offering, each eligible registered holder of Common Shares as at the close of business on June 15, 2026 (the "Record Date") will receive one (1) Right for each one (1) Common Share held. Each Right will entitle an eligible holder thereof to acquire 3.29204388 Common Shares at a price of US\$0.41150549 per Right (representing a subscription price of US\$0.125 per Common Share). The subscription price must be paid in United States dollars. The Rights issued under the Rights Offering will be evidenced by direct registration system advices (each a "Rights DRS Advice") and will expire at 5:00 p.m. (Toronto time) on July 13, 2026 (the "Expiry Date"), after which time unexercised Rights will be void and of no value. The Rights Offering includes an additional subscription privilege under which eligible holders of Rights who fully exercise their Rights will be entitled to subscribe for additional available Common Shares. Closing of the Rights Offering is expected to occur on or about July 15, 2026.

The Prospectus and related Rights DRS Advices will be mailed to all eligible registered shareholders as of the close of business on the Record Date. Eligible registered shareholders wishing to exercise their Rights must forward a completed Rights DRS Advice, together with the applicable funds (in United States dollars), to Olympia Trust Company, the rights agent of the Company, on or before the Expiry Date. Shareholders who own their Common Shares through an intermediary, such as a bank, trust company, securities dealer or broker, will receive materials and instructions from their intermediary.

The Common Shares will trade on the TSX Venture Exchange ("TSXV") on an "ex-rights" basis commencing on June 15, 2026. The Rights will be listed for trading on the TSXV under the symbol "CWV.RT" commencing on June 15, 2026 and will be de-listed from the TSXV at noon (Toronto time) on the Expiry Date.

Under the Rights Offering, any Rights that would otherwise be distributed by the Company to shareholders who are not resident in the provinces of Canada (other than Québec), will instead be delivered to the subscription agent, Olympia Trust Company, who will hold such Rights as agent for the benefit of all such ineligible holders. Further information regarding the treatment of Rights issued to shareholders resident in ineligible jurisdictions is included in the Prospectus.

The Company intends to use the gross proceeds of the Rights Offering to make an equity investment in Crown Point Energía S.A. ("CPESA"), the Company's wholly owned subsidiary, and CPESA intends to use such funds (together with cash on hand) to repay the US\$30 million loan (plus accrued interest) obtained from Liminar Energía SA ("Liminar"), the proceeds of which were used to fund a portion of the purchase price payable by CPESA to complete the acquisition of a 95% operated interest in the El Tordillo, La Tapera and Puesto Quiroga hydrocarbon exploitation concessions and certain related pipeline and other infrastructure located in the Province of Chubut, Argentina.

As previously announced, the Company has entered into a standby purchase agreement (the "Standby Purchase Agreement") with its largest shareholder, Liminar. Pursuant to the Standby Purchase Agreement, subject to the satisfaction of certain conditions, Liminar has agreed to fully exercise its basic subscription privilege and exercise its additional subscription privilege to the extent necessary to subscribe for all Common Shares available under the Rights Offering. As a result, subject to the satisfaction of the terms and conditions of the Standby Purchase Agreement, the Rights Offering will be fully backstopped by Liminar.

Mr. Pablo Peralta, a director of the Company, is the President and a director of Liminar and controls 45% of the voting shares of Liminar. Mr. Andrés Peralta, the President and a director of CPESA, is a director of Liminar and indirectly controls 10% of the voting shares of Liminar. Mr. Juan Llado, a director of each of the Company and CPESA, is a director of Liminar. Liminar is a "control person" of the Company by virtue of owning approximately 63.9% of the outstanding Common Shares, and as such, Liminar is a "related party" of the Company. No fees are payable by Crown Point to Liminar pursuant to the Standby Purchase Agreement.

The Rights Offering is subject to certain conditions including, but not limited to, the receipt of all necessary regulatory approvals, including the final acceptance of the TSXV. Further details concerning the Rights Offering, including the details of the Standby Purchase Agreement, are contained in the Prospectus available on the Company's SEDAR+ profile at www.sedarplus.ca.

This press release is not an offer of securities of the Company for sale in the United States. The Rights and Common Shares issuable on exercise of the Rights have not been and will not be registered under the U.S. Securities Act of 1933, as amended, and the Rights and Common Shares may not be offered or sold in the United States except pursuant to an applicable exemption from such registration. No public offering of securities is being made in the United States.
